

PLACE YOUR ORDER FOR WOOD EARLY This Year

In 1924 more people than ever before in Nyssa and the surrounding country used Wood for fuel.

The demand for Wood was so large that when our mills closed down we had orders for 150 carloads that could not be filled. It was impossible to get all orders out because so many delayed ordering until the last moment.

Make sure that you place your order for Wood early this season and know that it will be filled.

Wood is the most economical fuel you can buy.

It is cheaper than sagebrush.

WOOD makes a hot, quick fire.

WOOD is cheaper than all other kinds of Commercial fuel.

The price in pool or straight carload lots, delivered on cars at Nyssa, per cord, is \$3.35

Order your Wood now, so as to make sure of receiving it in time for it to become seasoned. If you cannot use a carload yourself, go in with one of your neighbors.

3. That the lands included within

the boundaries of the proposed district are all irrigable lands and are susceptible of irrigation from the same source and by the same system of works, by the storage, diversion and distribution of the unappropriated surplus and flood waters of the Owyhee River and Succor Creek, in Malheur County, Oregon.

4. That the undersigned petitioners desire to organize, and hereby propose the organization of, an irrigation district under the irrigation district laws of the State of Oregon, and particularly under the provisions of Title XII, Chapter XIV Sections 7305 to 7344 inclusive, Oregon Laws, and Acts amendatory thereof and supplemental thereto providing for the organization and management of irrigation districts.

5. That it is the purpose of the petitioners to organize an irrigation district for the irrigation of the lands embraced within the boundaries of such proposed district, and to that end to construct, maintain and operate dams and reservoirs and distributing canals, or to purchase, reconstruct, enlarge, extend, operate and maintain irrigation works for the irrigation of the lands included within the boundaries of said proposed district as hereinafter set forth, or to enter into contract with the United States for the construction of irrigation works for the irrigation of said lands under the federal reclamation laws, and to assume as principal or guarantor, the indebtedness to the United States on account of the construction of such system by the United States.

6. That your petitioners desire to have the said district designated by the name of SUCCOR CREEK IRRIGATION DISTRICT, and that the same be not divided into divisions, but that the entire district shall constitute one precinct for election purposes, and that the officers be elected at large therein.
