NYS-A, OREGON, MCH. 13, 1925

Owyhee

Mr. and Mrs. Harry Evans and little son are very ill with the flu and have been for some time. The flu this year seems to be unusually severe. Mrs. T. M. Lowe is also ill with it. J. S. Glascock had an attack of flu, too, last week.

Word from Leland Fenn states that he has traded his home in Huntington for a car.

David E. Tufts of Walla Walla, Wash., arrived Friday for a visit with his daughters, the Mesdames Fred Klingback and F. L. DeBord and families.

Kenneth McDonald is spending the week as guest of Clyde Benton in Nyssa.

Mrs. E. L. MacLafferty, who underwent an operation in Portland a month ago, has now recovered sufficiently to go to her mother in Melborne, Wash., where she will visit for a time.

Mr. and Mrs. G. W. Benton and family were dinner guests in the Klingback home Sunday, where Mr. Benton and Mr. Tufts, who were old time friends years ago in North Dakota, enjoyed a good visit.

Miss Viva Caywood, who has been helping in the Schweier home for several weeks, returned to Evans to help them during their illness.

Mr. and Mrs. Alvon McGinnis and family visited Sunday afternoon in the J. P. McGinnis home.

Evelyn DeBord has missed nearly a month of school on account of the flu, being obliged to leave school for home folks who were ill, returning to school Monday, and is spending the week with her aunt, Mrs. G. W. Benton, and family.

J. S. Glascock was an Ontario visitor last week.

Mr. and Mrs. J. Whitney of Botee have moved to Nyssa and are occupying rooms at the Swan apartment house. Mr. Whitney will have charge of the soda and ice cream department at the Nyssa Pharmacy.

For Sale.

Two good Jersey cows, one milking now, the other will be fresh soon. Phone 51f3 H. P. Birgman.

Leg Broken

Bobby Clossen was the victim of an unfortunate accident at the John Reece ranch Wednesday. While driving a disc harrow drawn by mules the animals became unmanageable and broke loose from the driver. During the melee Bobby was thrown to the ground, sustaining a fracture of the left leg bone between the ankle and knee. Dr. Sarazin put things to rights again as nearly as possible and Bobby is now resting easily at his home.

Buys Ice Plant

The Nyssa Packing Co. has ordered an ice making and cold storage plant for use in their expanding business. The business has grown too big for the old fashioned way of cooling by means of chunks of ice. More modern methods are imperative where so much meat is handled. The new outfit, which will be of five tons daily capacity, will be installed and working before the hot weather arrives.

Goes to Emmett

Harry Goshert left Sunday for Emmett, where he has accepted a position with the White Cammerer Hardware Co. The buying public will miss Harry, whose courtesy and efficiency have been an outstanding feature in the mercantile life of Nyssa for many years.

We join the entire community in wishing him prosperity in his new home.
