A Good Play

The graduating class of the Nyssa high school scored a glittering success when they presented the play "His Uncle's Niece" at the Liberty theater last Friday evening to a crowded house. The cast was composed of Eugene Hanafin, Marjo Cowins, Margaret Crockett, Mildred Long, Frances Klinkenberg, Lester Klinkenberg, Bruce Gilchrist, Robert Thompson and George Davis. Each one of the young actors proved to be a star and displayed histrionic talent that would have done credit to professionals, each player being especially fitted for his part. The plot of the play was good and presented many amusing situations, especially one where Eugene Hanafin as a dignified young lawyer crawled out of a dog house where he had been hiding during the presence of an unwelcome visitor.

An enjoyable feature of the evening was the music furnished between acts. An orchestra of local musicians rendered several numbers and Miss Bernice Martin sang a solo that brought loud applause.

Market Road Gets Appropriation
County court met in session Wednesday and granted a \$10,000 appropriation of market road money for the construction of the Nyssa-Jordan Valley road. Connections will be made with the Succor creek canyon to furnish a better outlet from Jordan Valley. It was estimated that \$20,000 would be necessary, but that \$10,000 or \$12,000 would be sufficient for temporary connection. The work will be commenced without delay.

Sherry Johnson Wins Suit.

Late Friday afternoon the jury brought in a verdict in the case of Sherry Johnson vs. J. H. Russell, whereby the plaintiff sued for \$20,000 for alienation of his wife's affections, to the amount of \$2000 in favor of the plaintiff. Robert D. Lytle appeared before the court Saturday and asked 15 days' time in which to file a motion for judgment for the defendant reversing the verdict, and also in which to file a motion in appeal.

Margaret Hunt Wins Cup.

After careful consideration the track judges decided that the Girl's A Class 60-yard dash should go to Margaret Hunt of Nyssa, thereby disqualifying the one who received first the day of the track meet for being ing out of her lane. This decision gave Margaret Hunt first place with 17 1/2 points, winning the loving cup presented by the Vale commercial club. The prize winner made first place in the 80-yard hurdle, 100-yard dash, one winner in the open relay and third place in standing broad jump. Dorothy Cole of Brogan was a close second with 16 points. Hazel Lee of Harper and Mandy Framer of Wade tied for third place, each scoring 12 points.

Wade School Gets Cup.

With the final score of 120 points in the fifth annual Malheur County Track and Field Meet held last Friday for school children of the county, the Wade school secured possession of the silver loving cup given by Malheur county officials, to be retained one year. For three preceding years Wade has secured the highest number of points in rural school entries. The Jordan Valley school scored second with 73 points and Vale third with 45.

The Wade school secured another prize when Victor Hixox, one of its students, took the boy's cup, given by the Vale fire department, with a total score of 20 points. Hixox was first in the fifty, first in the hundred, first in the running broad jump, and first in the pole vault, counting five points each.

Last year also Hixox won the boy's trophy. Two other boys who made unusually good scores were James Figueroa of Jordan Valley, scoring 17 1/2 points, and Eric Mousing, also of Wade, scoring 15 points.

Plans Are Approved.

The legal formalities in connection with the confirmation of the organization of the Vale, Oregon, Irrigation District was formally approved and confirmed by the circuit court in the early part of this week. Robt. D. Lytle, attorney for the district, was also informed that this approval is sufficient to satisfy the department of the interior. The next step following approval of the organization of the district is entering into contracts with the government. After this is done, actual preparation for the construction work will begin.

Likes New Home

The many Nyssa friends of Mrs. L. M. DeBord will be interested in hearing how she is getting along in her new home at Payette. In a letter to the Journal she says:

"We've been doing some hustling since we came down here. We are 1 1/2 miles northeast of Payette and are farming 80 acres. Thirty five are in potatoes; 40 we've just put into date-prune trees and will crop the same 40 to sweet corn. We have a contract with the cannery here to take it if we succeed in raising it. Besides all that there's 1 1/2 or 2 acres of grapes here. We all like it very much. Payette is a clean, progressive little city, full of nice, friendly people so far as we have been able to see, with a splendid grade and high school which, with our five children from 18 to 6 years, is indispensable. We found Mr. and Mrs. De. a, formerly of Nyssa, in the M. E. church Sunday school, where we go. Needless to say, I miss writing the Owyhee items for the county papers. I think Mrs. Evans is doing splendidly at it though, and hope she can keep it up."

Farewell Party

Mrs. J. J. Sarsazin and Mrs. Chas. Crawford were hostesses at a farewell party given to Mrs. D. W. Gibson Thursday evening. Members of the Eastern Star were present in a body to speed the parting sister to her new home. Refreshments of ice cream and cake were served and a good time was had by all.

Clair Pepperd, who is a sophomore in vocational education at the Oregon Agricultural College, has been nominated for treasurer of the junior class of next year.

Easier-riding because it is more flexible. More flexible because it is built with the new integral head. Long wearing, partly because of this new flexible construction and partly because it has an extra thick, tough tread.
