Beauty Specialist at Nyssa Pharmacy

Attracts Many Ladies
The continual stream of ladies going into the Nyssa Pharmacy this week and returning with the bloom of youth on their cheeks is accounted for by the fact that Mme. Marvel Gordon, beauty specialist of Boston, Mass., is demonstrating the Nyssa Pharmacy's Cara Nome line of toilet accessories.

Mme. Gordon will be here all this week and states there is still time for Nyssa ladies to avail themselves of an appointment, for which there is no charge "and no tips at all."

Aside from her knowledge of skin treatment, she is a vocalist of rare attainment. She is the wife of a French officer and during the World War did welfare work overseas as well as in this country. She has sung before General Pershing four times and

for President Wilson on the May flower.

Upon the war president's return from his European tour she led the singing in his honor at Newport News harbor, singing "My Hero" from "The Chocolate Soldier." She also sang at the christening of the battle ship "New Hampshire" when the wife of Col. Dodge presided at the ceremonies.

Mme. Gordon says she is delighted at the treatment being accorded her here and is enthusiastic over western hospitality. C. L. McCoy of the Nyssa Pharmacy will deem it a favor if those who have not yet visited Mme. Gordon's parlors to make an appointment by phone or otherwise.

The annual school meeting was held at the school house Tuesday from 2 to 4 p. m., with Director Fred Koopman as chairman. S. D. Goshert, whose term as director expired, was re-elected and H. A. Diven was re-elected clerk.

THE same old wearing qualities plus new, easier-riding qualities—that is the Kelly Flexible Cord.

Easier-riding because it is more flexible. More flexible because it is built with the new integral bead. Long wearing, partly because of this new flexible construction and partly because it has an extra thick, tough tread.
