First Robbia Ware

The first examples of Robbia ware were exhibited in 1443 by Luca Della Robbia, after years of study and repeated experiments. The first figures were white with blue, and sometimes green, draperies in the background.

Early Doctors' Fees High

In the fourteenth century doctors' fees were very high, as, apart from the sum paid down, the patient contracted to allow his medical man an annuity for as long as he lived, or employed him.—New York Times.
