You'll Enjoy Cooking When You
Have An

Electric Range

Electric Cooking is not only the most economical and cleanest method of cooking. It is most pleasurable of all methods as well.

You will take more interest in cooking when you get an Electric Range. There will remain nothing else to distract your attention away from cooking no coal or wood to carry, no ashes, soot, smoke or grit to bother about and no blackened pans to require continual cleaning.

A turn of the switch and the heat is on. And it's off again with another turn. It is simplicity itself. You do not have to watch cooking foods. The automatic control takes care of them, keeping the even heat at the proper temperature and turning it off at the right time.

Soon after your new range is installed you'll realize there is no substitute for Electric Cooking.

Buy Your Range
Now

These unusual terms—25 down and the balance in easy monthly payments—enables you to have the range you've wanted NOW. You'll soon have it paid for—hardly missing the small sums—and enjoy it while you are paying for it.

A Model for Every Home

On our display floor you will find a splendid selection of Electric Ranges in the most up to date types. You may select a range that is designed to meet the individual requirements of your home. Come and let us demonstrate them for you.
