**WILL ROGERS**

Another "Bull" Durham advertisement by Will Rogers, Zigfield Follet and screen star, and leading American humorist. More coming. Watch for them.

**The Wise Guy and The Clown**

A constant reader of my "Bull" Durham Ads writes in and says: "If there was another smoking Tobacco the equal of "Bull" Durham a lot of us would quit you no matter how much it cost. But alas there is no equal at any price as we have all found out at various times. So we must hasten to turn the pages and groan, whenever we encounter the CLOWN Ads of Will Rogers, who is trying to discredit the worth of the WORLD'S FAVORITE TOBACCO."

See that Bird wrote this whole Ad for me himself. He knocked me but he boosted "Bull" Durham. He fell right into my hands. Its only by the wisdom of our smart people that us CLOWNS and Fools are allowed to ride in Limousines. They say "The Lord protects the foolish," so, I am nesting right under his wing. So thanks Mr. Smart Man, write us another Ad. It will only cost you two cents

*Will Rogers*

P.S.—There will be another piece here two weeks from now. Look for it.

**WANTS INFORMATION**

Nyssa, O., Oct. 13—Editor Journal—Observing that you are quite a student of the Bible, I would appreciate it if you would tell me in what manner Judas Iscariot, the betrayer of Christ met his death.

Interested Reader.

We are unable to say positively just the manner of his death. The Bible seems a little contradictory on this question. In Acts 1:18 we read that he purchased a field with the reward of his iniquity and fell headlong and burst asunder and all his bowels gushed out. But in Matthew 27:5 it states that he went and hanged himself. Just which one of these statements, if either, is correct we would not presume to say. We will refer the matter to the Bible class, and will be glad to publish the answer.

The district court of Weld county, Colo., has entered an order requiring the school board of the Platteville school district to show cause why they should not be restrained from enforcing a rule recently put into effect, calling for the reading of the Bible in classes in schools of the district. The order was entered on behalf of Charles Volmer, a farmer, who declared in his petition that he is a Roman Catholic and that the bible, as read in the schools to his children, does not meet the requirements of his faith. As Mr. Volmer is required by law to send his children to school and is taxed to support the school, he would seem to have valid grounds for protest against the teaching in the schools of a religion that he does not believe in.

**A Real Surprise**

Last Wednesday evening being Mrs. Agnes Hamaker's birthday anniversary (but which one, unfortunately, our informant failed to state) a goodly number of her friends made up their minds to give her a surprise party. And they succeeded beyond their wildest expectations. In fact, surprise seemed to be the predominating characteristic of the occasion, as it is hinted that the surprisess were themselves treated to a little surprise, but that is another story.

Upon the arrival of the guests the lady was discovered washing her supper dishes and she was so "flabbergasted" for a few moments that she kept right on working and ignored her visitors. However, she soon snapped out of it and gave the visitors a royal welcome in her own unique way. As everyone was in a particularly happy mood they concluded to make it a regular party, so dispatched Paul Howe to his home for some cards, etc. A pleasant evening was spent by the ten guests present, the entertainment consisting of music and cards. At 11:30 a delicious lunch consisting of sandwiches, fruit salad, cake and coffee was served. The fruit salad and some whipped cream had been kept on ice all evening and was unusually palatable. Mrs. Hamaker was

the recipient of a box of fine stationery. The party broke up at two minutes after two, and the guests departed for their homes, after wishing the lady many happy returns of the day.

**Bad Auto Wreck**

To have traveled five or six hundred miles in safety and comfort and then to have a disastrous auto wreck when in sight of the journey's end was the sad experience of Harold and Frank Himler who in a smashup near the school house Tuesday afternoon had their car demolished and lives endangered, escaping by a seeming miracle.

The boys were coming into town on the highway and were closely following a car driven by a Mr. Shire of Boise, who was demonstrating an Oldsmobile for Mrs. A. H. Boydell and mother. As they approached their intersection of Park avenue with the highway the head car turned east into the avenue, thereby placing itself directly in front of the car following. The boys were too close to avoid it and a smashup resulted in which the boys' car was wrecked beyond repair and the two occupants rendered unconscious. The boys were taken directly to Dr. Sorazin's office, where they were restored to consciousness and their injuries attended to. Harold sustained a slight fracture of one of his arms, both boys being badly bruised up. The other car was only slightly damaged.

Frank and Harold were former Nyssa boys, now living at Aberdeen, Wash., and were coming to spend the winter in this vicinity. They are recuperating at the suburban home of Jim Duncan.

This is Bobby, Hank's hand-raised and trained bob cat, the only one in captivity. Bobby has become famous as an actor and is doing vaudeville stunts much of his time. He and Hank recently returned from a successful tour through Washington and the Walla Walla valley, and during the present week has played to crowded houses in Walla. Dates will soon be announced for his appearance in a thrilling program at the Liberty theatre. Don't miss it.

**To Drill New Well**

John Paulson, an expert well driller from Ontario, has been in Nyssa this week testing out our wells with a view of increasing our water supply. It was first thought that an increased flow could be obtained by deepening one of the present wells, but a thorough test has convinced Mr. Paulson that it can't be done, and he has advised the council that the only hope of an increased water supply is a new well and the council has authorized the work of drilling to start at once. Owing to his being a slick season in well drilling, Mr. Paulson has agreed to do the work at an exceedingly low figure and it is a matter of economy to have the work done at this time. A greatly increased supply will be necessary when the irrigating season starts in the spring.

**Combined Reception**

A combined reception for Rev. and Mrs. Hershey and the school teachers was held at the Methodist church last Friday evening and the newcomers were cordially welcomed to our midst. The evening was most enjoyably spent with games, music, speeches, etc., ending up with a sumptuous repast, which the Nyssa ladies know so well how to prepare. A number have expressed regret that, owing to lack of advertising, they did not learn of the affair in time to be present.

The Journal has, in a previous issue, extended the glad hand to our school ma'ams, but after seeing their beauty and intelligence we feel that our previous efforts but feebly expressed our real sentiments, and we wish to again assure them that they are welcome, thrice welcome, to our little city. Our hope is that our Nyssa bachelors will be able to persuade them to remain here permanently.

You can get the Journal a whole year for \$1.50. Special rates to teachers.

**Owyhee**

The Owyhee P. T. A. met at the Fred Klingback home Thursday night and the primary teacher reported a needy family and a collection of \$10 given by individual P. T. A. members was placed in Miss Pauline Stewart's hands to purchase shoes for the children of this family. The new officers elected were: Mrs. Fred Klingback, president; C. A. Fisher, vice president; Mrs. Tom Rust, secretary, and Mrs. Tom Lowe, treasurer. It was decided they will meet at the homes and in the evening hereafter.

Mrs. Bigelow's mother, Mrs. Brown, is much improved this week.

Walter Piniston has required the services of Dr. Pogue this week with a case of tonsillitis.

Misses Nova Larsen and Rowena Glenn suffered a collision with another Ford, but the only casualty was a smashed lamp on each car.

Mrs. Ada Schweizer is much improved and able to be up and around again after a short, though severe, illness. Her mother, Mrs. M. A. Bradney, and sister, Mrs. Ruth Johnson, and Mr. and Mrs. Harry Russell were called and spent a short time at the Schweizer home while she was so very sick.

Mr. and Mrs. Lynn Kygar have moved into the Louise DeGoede home.

The Joe dog, belonging to Bill Schweizer bit, little Anna Louise Schweizer severely on her wrist and was immediately dispatched to the happy hunting grounds.

Mr. and Mrs. Thomas Lowe and their guest, Mrs. M. M. Greening, who is president of the county P. T. A., attended the Parma fair Friday and had the pleasure of seeing a former Owyhee girl, Miss Elba Pullen, and her sister, Wilma Pullen, take a leading part in the lovely parade. Doc Pullen drove the float entered by the Roswell high school which won first prize for beauty, a d. Mrs. Lowe was loud in her praises of this fair and said that nearly every stand and concession was run by the boy rangers or C. E. society or some other home organization; also said there was a seighberly feeling that was lacking at most of our fairs nowadays.

Mr. and Mrs. Ed Hennis and Viva Caywood and Lois Garrison took a picnic lunch and drove to Mitchell Butte Sunday.

Mr. and Mrs. Bob Elliott entertained Mr. and Mrs. Frank Leuoh and family and Mr. and Mrs. Elsie Walters and family at a big dinner Sunday.

Mr. and Mrs. Harry Evans drove over to Mr. and Mrs. Phil Barrett's Sunday to see Mrs. Barrett's wonder tul dahlias. These lovely blossoms are at their best now and the gardens of Mrs. H. H. Wiedeman, Mrs. Chas. Garrison, Mrs. H. Evans and Mrs. Phil Barrett and Mrs. Martin of the Colony are all at their very best now. The pity of it is that there is no flower organization where an exchange of plants, seeds, bulbs, and best of all, IDEAS, could be exchanged.

Fred Klingback is enjoying a visit from his brother from Arizona.

Mr. Lowe attended a road meeting at Mr. Beaumont's this week.

Mr. and Mrs. Ray Cantrill and daughter Dottie and Nellie Compton drove to Chalk Butte Sunday and took a picnic lunch with them.

Chas. Bradley, Bill Peutz and Ray Cantrill are digging their potatoes this week.

Born—To Mr. and Mrs. John Hite, a son, October 6, named Donald Edward. John will get used to that twin go cart now!

Mrs. Evans and daughter drove to Ontario Monday to see the new Hite heir.

Tom Lowe, Ray Cantrill and Fred Klingback are still hoping for a sunny day for making hay. All have their third cutting in the field yet.
