We Thank You

As this is the end of the ice season, we wish to thank our many patrons for the loyal manner in which they supported the local ice plant, in spite of the fact that we were compelled to charge a little more than imported ice was selling for. Again we thank you.

Notice

To the People of Nyssa and surrounding country:

We wish to express our gratitude for their cooperation in our undertaking. It was our aim when we started handling poultry in February of 1922 to bring the markets of Nyssa closer to those of the larger cities. The measure of our success we leave to the judgment of our patrons, but we do assure you that our every effort has been given therein. Although the large dealers that handle poultry in carload lots do agree that the poultry industry has increased by our cooperative efforts very rapidly, we believe there are still greater possibilities ahead and trust to our patrons that they will see the benefit in future cooperation, as they have in the past.

This year in behalf of our patrons we have interested a large company which will pay highest market cash prices in Nyssa, instead of the commission basis as in the past we hope will be no less satisfactory. To those whom it may concern we wish to announce that instead of the Nyssa Commission House we will change the same to the Goodrich Poultry House, as the former seemed to be confusing to some on account of the similarity of names. We thank you for your past cooperation and extend you our future loyal services.

Respectfully yours,
The Goodrich Poultry House

COMMUNITY CHURCH NOTES

All departments of the church are showing increased interest and life. The Sunday school deserves special mention. Brother Bacon's class reached the high water mark of attendance (32) last Sunday, and the interest in the lessons is equal to the attendance.

The winners in the contesting classes will be rewarded by special social affairs in the near future. Mr. and Mrs. Ewing's classes have a Halloween party this week and the Bible class will have theirs at an early date.

The Epworth League party at the parsonage was a success, and the League has reorganized and is making plans for the winter's work. All young people of the town are invited to attend the Sunday evening meetings from 7 to 8 o'clock.

The regular monthly business meeting of the church will be held next Tuesday evening, November 3. It is hoped these meetings will be well attended, that the interests of the church be taken care of in as business like way as other things.

The Teacher Training Study class still has room for more enrollments. If you are interested in religious education of any kind, you will be helped by attending these studies.

N. E. Hershey, Pastor.
