We Thank You

As this is the end of the ice season, we wish to thank our many patrons for the loyal manner in which they supported the local ice plant, in spite of the fact that we were compelled to charge a little more than imported ice was selling for. Again we thank you.

BIG BEND CORN

WINS AT STOCK SHOW

Malheur county was well represented in the agricultural section at the Pacific International Livestock Exposition held in Portland October 31 to November 7. Corn club awards were made on Monday with the result that Garritt Muntzwerff, of Big Bend, won the sweepstakes club corn, and his showing also was the best for the entire show. For the second year in succession a boy won the honors from adult growers. Volney Hickox of Adrian also carried off the championship exhibit of three states.

Awards were made as follows:

Ten ears yellow dent corn, Garritt Muntzwerff, first.

Ten ears white dent, Victor Hickox second, Earl Klahr third.

Ten ears white dent, Victor Hickox first, James Johnson second.

For championship exhibit of three states, Volney Hickox, Adrian, first; Austin Lutner, Gooding, Idaho, second; In the Eastern Oregon contest Volney Hickox, first; Paul McCullough second, Victor Hickox third.

By mistake the corn entries were credited to Ontario at the stock show, but the big winning exhibits were grown by boys who live in the famed Big Bend farming country, and the E terprise wishes to give them the credit they should have in so well representing Malheur county.—Malheur Enterprise.

There are two kinds of old age. Independent and dependent. Heaven help dependent old age; it needs the help of heaven. A policy with the Mutual Life will make you independent in your old age. Talk with Hunter.

We treat everybody alike. One price to all, and the high at possible price paid. Goodrich Poultry House.
