"and that one word is
VALUE"

When an article of outstanding merit is offered to the public its success becomes immediate. And so it is with the latest Oldsmobile. Only one word can explain its quick acceptance and success:

"—and that one word is Value!"

Comparison and demonstration prove Oldsmobile's value. Increasing demand verifies it. Owner satisfaction confirms it.

Still another value-advantage is available to the man who buys an Oldsmobile on time through General Motors' own financing plan. GMAC rates, always the lowest, are now even lower. Let us show you the GMAC rate card and learn how easy it is to own an Oldsmobile!
