Nyssa Wins Another

The Gate City Tigers won a game from Vale Sunday by a score of 11 to 6. K. Green started the game for Nyssa but went out in the sixth inning. Green let Vale have four hits in the first six innings. F. Rambaud succeeded him, allowing six hits in the last three innings. H. Hatton pitched the game for Vale, allowing 10 hits and 11 runs. The Gate City Tigers stand a good chance of winning the pennant and \$150 purse this season. They have won four games and lost one. If they have good luck when they play New Plymouth and Fruitland they are pretty sure of the pennant. There are five Nyssa men in the 300 batting average for the season. Frank Rambaud is the only one over 300, his average being 474. The team's average is 273 per cent for the season. Frank Rambaud brought up his average by batting 1000 per cent Sunday.

Lettuce Moving

What is said to be one of the best lettuce crops ever grown in Nyssa and vicinity started moving to market this week, consigned to Chicago and other eastern cities. Among the most successful growers are Pete and Claus Tensen and Dave Hawkins. They employ 10 to 15 people in their packing house. The Nyssa Packing Co. is supplying the ice. Competent judges of lettuce claim the quality of this crop is equal if not superior to any other lettuce grown in the western part of the United States.

Shining UP

A number of Nyssa business houses are having the front of their buildings painted this week. Among them are: Eder Hardware Co., E. M. Blodgett law office, Drs. Bradford & Bradford, chiropractic office, Nyssa Packing Co., Nyssa Barber Shop, Nyssa Realty Co. The Nyssa public library has had a new coat of paint inside and out, also the walls and ceiling kalsomined. This denotes a progressive spirit on the part of the business men and the rest of them could profitably follow their example.

Help the Band

Members of the Nyssa band have been circulating a subscription paper this week asking the business men to help finance the band. Everyone should get behind the band and boost it, both financially and morally. It is one of our institutions of which everyone is proud and is well worthy of support.
