**Injured by Truck**

Wm. Shirmer, auto truck driver for the Standard Oil, was severely injured in a mix-up with his truck last Friday. He left his truck in gear while unloading gas at the Tensen Mortor Co and upon cranking the machine after unloading the truck started forward. It was facing the building and forced Mr Shirmer back against the wall, where he was held until the machine was backed off by hand. His legs were both severely injured by the front guard, but he is recovering rapidly and expects to be back on the job next week.

explained the Bible's practical application to daily life; how it describes the life hereafter; what the Bible parables mean when spiritually interpreted.

His theological works—as issued by himself—have been published by the Houghton Mifflin Co. in most modern translation from the original Latin, in the Rotch Edition of 32 volumes.

The first twenty give the spiritual sense of Genesis and Exodus as understood in Heaven; and volumes 26, 27, 28 give likewise the spiritual sense of the Book of Revelation.

Volume 29, Marriage Love, views from the union of the Divine Love and the Divine Wisdom the Law of Sex throughout all creation. It shows the crown and jewel of the Christian Religion, the union of one with one only. Price \$2.00.

Volumes 30, 31, 32, contain a full statement of the True Christian Religion as revealed from Heaven. \$3.00 the set.

The whole 32 volumes in half-morocco at \$125; in buckram, \$40.

The following are the best introductory books to the Revelations of SWEDENBORG. They are in large print, bound in buckram, and contain from 260 to 485 pages.

**Who Was Swedenborg?**

Emanuel Swedenborg, the son of a bishop, was the great Swedish scientist, philosopher and theologian, whose vast range caused Emerson to term him the mastodon of scholars. Dr. Parkes Cadman recently named him the Universal Genius. Officially connected, by appointment of the King, with the great mining industry of Sweden, he mastered all the sciences of his time, and wrote the most useful books on metallurgy, minerals, geology, astronomy, and the human brain. His life search was for the human soul. How his spiritual senses were opened, after he was 50 years of age, that he might reveal the human soul, the life after death, and the Bible itself, may be read in the above named, uplifting, useful books.

"There is No Substitute for Electric Cooking"

**Don't be a Slave to Your Stove!**

To many housewives, the hot weather season is a time to be dreaded. For it means weary hours spent over a sizzling cook stove, preparing meals and canning.

The need for being a slave to your cook stove exists no longer. Electric Cooking is no longer a luxury for the few. The low price of good electric ranges and the low electric rate paid by Idaho Power Co. customers points the way to cooler kitchens, easier work, less time devoted to cooking.

With an electric range in your home, a simple snap of a switch takes the place of carrying coal, splitting kindling, carrying out ashes. And no smoky walls or sooty pans to clean and scour!

And best of All—it costs no more
