Largest Pumping Plant

London has the largest pumping plant in Europe. This new pump system handles daily 17,000,000 gallons, and this amount can be doubled in an emergency. The plant includes 18 miles of direct primaries.

Looks Better, Too

Linoleum is said to wear much better if varnished when new and waxed lightly every month after washing.

BEST RECORD YET

An old gentleman, watch in hand, stopped a passing instructor at a bathing pool.

"Instructor," he said, "what is the longest time anybody ever stayed under water?"

"Why, about five minutes, I guess," said the instructor.

"Then," said the old gentleman, "there's a fat business man over there in the deep part of the pool who has broken all the records. I've been timing him. He's been down over nine minutes now, and you can see for yourself, that he shows no signs of coming up yet."

Entitled To It

The unattractive daughter of a general had received a proposal from a subaltern. "Dad," she said, "Filbert has proposed to me and he's only a second lieutenant. Now you must do something for him."

"I can't promote him over the heads of the others, but I will have him cited for gallantry."

An Idea

One Neighbor (to another)—Is this your advertisement in the paper for a lost dog?

"Yes."

"Why, you never had a dog to lose."

"I know; but I want one now, and I think I can make a satisfactory selection from the animals the advertisement will bring in."

Anarchists Defined

Two children were engaged in an absorbing conversation.

"What are anarchists?" said one.

"Oh, they are people who want everything any one else has, and they never wash themselves," answered the other.

"Oh, I see. They are just little boys growed up!"—The Outlook.

Unavoidable

Aunt Susanah—Such a dress! Why, the ideal I'd be mortified to death in a dress like that!

Phyllis—Yes, I expect you would, but don't feel badly about it. Aunt Susanah. A person's figure can't be helped.

FAIR ENOUGH THEN

"Bill plays a pretty fair game of poker don't he, Joe?"
"Yeah! If yuh keep yer eye on him."

A Bad Effect

"Revolving doors I hate,"

Said Ladd;

"You cannot slam 'em

When you're mad."

Unlike Land

First Passenger—Isn't the ocean grand and majestic?

Second Passenger—Yes; and there's an indefinable something about it that impresses me strangely.

First—I feel that way, too. I guess it's the utter absence of billboards.

Suspicious

"Why is this man before me?"

"Your honor, we think he is running a school for crime."

"What makes you think that?"

"When we nabbed him he was lecturing on how to enter a drawing room."

Easy Come, Easy Go

Jones—For a while Williams was clean out of his mind about that girl.

Smith—And now?

Jones—Oh, now the girl is clean out of his mind.—Stray Stories.

Top Dangerous

Mr. Oldacre—Have you a pergola in your garden?

Mrs. Newrick—Not now. We found it barked at the tradespeople, so we had to get rid of it.—Tit-Bits.

RUIN IVY

"She clings to him like ivy."

"Well, he's an old ruin."

Miller and Mrs. Maud Miller, wife; A. F. Hill, and Ethel Hill, wife; Clyde L. Park, and Eva L. Park, wife; Jordan Valley Irrigation District, by W. S. Bruce, President.

The description of the land mentioned in said petition and which it is proposed, in the event such petition be granted, to be included within the said Jordan Valley Irrigation District, as follows:

"Beginning at the point where the south line of Section 33, Township 30 South, Range 43 East, W. M., intersects the centerline of Jordan creek, which beginning point is east approximately 600 feet from the southwest corner of said section 33, running thence east along the section line to the southeast corner of said section 33, thence north along the section line to the northeast corner of said section 33; thence west along the section line to the north quarter corner of said section 33; thence north through the center of section 28, same township and range, to the north quarter corner thereof; thence west along the section line to the northwest corner of said section 28; thence north along the section line to the east quarter corner of section 20, same township and range; thence west through the center of the said section 20 to the west quarter corner thereof; thence north along the section line to the northwest corner of the said section 20; thence west along the section line to the southeast corner of Section 13, township 30 South, Range 42 East, W. M.; thence north along the township line to the northeast corner of said section 13; thence west along the section line to the northwest corner of said section 13; thence north along the section line to the north quarter corner of said section 13; thence west one-fourth mile; thence south one-fourth mile to a point on the north line of section 14 and one-fourth mile west of the northeast corner thereof; thence west along the section line to the northwest corner of section 15; thence north along the section line one-fourth mile; thence west three-fourths mile; thence south one-fourth mile to a point on the south line of section 9 and one-fourth mile east of the southwest corner thereof; thence along the section line to the south quarter corner of the said section 9; thence south through the centers of sections 16 and 24, to the center of the said section 21; thence west to the west quarter corner of the said section 21; thence south along the section line to the southwest corner of the said section 21; thence east along the section line to the south quarter corner of the said section 21; thence south to the center of section 28; thence east to the east quarter corner of the said section 28; thence south along the section line to the southeast corner of the said section 28; thence south along the section line to a point approximately one-fourth mile south of the northeast corner of section 33, which point is the intersection of the section line with the center line of Jordan creek; thence following up the center line of Jordan Creek through the northwest corner of section 34, the southeast corner of section 27, easterly near the south line of section 26, southerly and easterly through the northeast corner of section 35 and the southwest corner of section 36, in Township 30 South, Range 42 East, W. M., southeasterly through the northeast corner of Section 1, Township 31 South, Range 42 East, W. M., northeasterly through the north half of section 6, Township 31 South, Range 43 East, W. M., and northeasterly through the southeast corner of section 31, southeasterly through the south half of section 32 and southeasterly through the southwest corner of section 33, Township 30 South, Range 43 East, W. M., to the point of beginning.

The prayer of said petitioners in said petition is as follows:

WHEREFORE, your petitioners pray that said lands be included within Jordan Valley Irrigation District and become a part thereof, and that your honorable Board take all the steps necessary to include said lands within Jordan Valley Irrigation District. All persons interested are hereby notified that the Board of Directors of Jordan Valley Irrigation District will meet at Daner, Ore., on Tuesday, the 22 day of March, 1927, at 1 o'clock p. m., to consider the granting or denial of said petition and all such persons must appear at said time and place and show cause, if any they have, why said petition should not be granted.

CHAS. E. LANNING,
Secretary Board of Directors, Jordan Valley Irrigation District.
