It is to be regretted that Vale in losing the land office small wonder a protest was raised, for it seems very unjust to this section of the state. With the removal of the Vale office to the Dalles it leaves the Eastern section of Oregon without a Land Office putting two in the Western section.

METHODIST COMMUNITY NOTES

Sunday morning the subject for the morning worship is "Seeing and Doing" Sermon by the pastor.

Sunday evening will be a great service. The League hour will be used for pictures, "The Healing Ministry," a fine set of slides. Following the League at 8 o'clock there will be a special program of story and song put on by Rev. Lines of Ontario and fifteen young people. A silver offering will be taken. This will be a great service. Do not miss it.

The Sunday school board had an enthusiastic meeting on Tuesday night at the parsonage. Plans were made for more effective work, also for the Palm Sunday and Easter program. Several new teachers were elected.

Mrs. Hershey will preach in Ontario Sunday evening for Rev. Lines while he is conducting the musical program at this place.

Mr. Reberger is building cupboards and enclosing the kitchen in the basement this week.

The Lay Electrical meeting will be held on April 3, following the regular service. This is to provide a delegate for the Lay conference this fall. R. J. Davis is judge of the election.

The Boy Scouts have changed the hour of their meeting from 7:30 to 8:00 o'clock.

The past week, while working at the old ice house, which is being torn down, Dewey Roy hung his watch on a nail, forgetting and leaving it there. An honest "traveler of the road" found the watch, turning it in to the town marshal. Dewey feels very thankful and fifty dollars to the good.

NOTICE—Will the person who left a pair of scissors in the library last fall call at the library on Saturday and claim them.

Mr. and Mrs. W. W. Foster entertained in honor of their eldest daughter, Crest Marie, Friday evening, the event being the young lady's 13th birthday anniversary. Guests were Mr. and Mrs. Frank Newton and daughter and Miss Betty Tensen.

Everything you ask for

This modern age likes the
mellow mildness of Camels

TRY Camels and you'll know why they win the modern world. Mildness and mellowness. The smoking wish of this exacting age is realized in Camels. Such taste and fragrance as never came before from a cigarette. A mellow mildness that can result only from superb blending of the choicest Turkish and Domestic tobaccos.

This age demands the best of everything—and it finds its ideal smoke in Camels. Nowhere else can you find such smoothness, such ever-dependable goodness as here—

"Have a Camel!"
