HAVE YOU OBSERVED THE CLEAN UP NOTICE?

Last week a clean-up notice was officially printed in the Journal and it is hoped that the property owners will get busy and clean their premises of all rubbish before May 1st, not only for improved appearances but as a safe guard against disease.
Fly time will soon be here and there are no better distributors of germs harbored in the neglected garbage piles than flies.
Let each and everyone in Nyssa give their individual attention to this essential detail and improve the looks of the town as well as safe guard the health of the community.
