NYSSA WINNER IN SUNDAY BALL GAME

Five to Two Score in Favor of Nyssa. Play Against New Plymouth Nine Next Sunday.

The Nyssa ball team won a victory over the Ontario team Sunday when they played a 5 to 2 winning score.

The game for the first five innings looked bad for the local boys, altho' they were far from discouraged, the score standing 2 to 0 in Ontario's favor but not for long. Pep and confidence in their ability made them the easy winners.

Altho' the day was a little disagreeable, a good crowd of boosters and fans were present and Ontario with true sports man-like hospitality furnished band music for the occasion.

Next Sunday Nyssa has its game with New Plymouth. Let everybody be present to boost and encourage the boys.

DISCOVER GRAVEL BED ON P. M. WARREN RANCH

What is reported to be the best bed of gravel yet discovered was uncovered this week by the crew prospecting for gravel for the big Owyhee dam. The find is located on the P. M. Warren ranch a few miles southeast of town. If further drilling sustains the expectations of the drilling crew this will undoubtedly be the bed from which the gravel for the dam will be secured. Preliminary tests indicate that the deposit of gravel comes from 15 to 20 acres, sufficient to furnish all the gravel needed for the dam. This will mean a good thing for Mr. Warren and also for the town of Nyssa, as it will mean that the rail road will start only a few miles from this place.
