BIDS FOR CONSTRUCTION OF RAILROAD

The call for bids for the construction of the railroad to the Owyhee damsite have been issued and bids will be received at the Boise office until 2 o'clock, August 16th.

This is indeed gratifying news to everybody in Malheur County who have been patiently awaiting actual work to begin.

Continued efforts are being made to secure signatures to the contracts required by the government and it is imperative that all property holders of lands under the project give their attention to this requirement, so that the items for appropriations for carrying on the second year's work can be placed before the Board and included in their budget to be made sometime in August.

Nyssa will benefit greatly by this first move in the actual construction and should be wide awake to the possibilities offered.

OWYHEE DISTRICT OFFICE COMPLETED

The balance of furniture and equipment for the Owyhee District office was received and placed this week and will be a much used office in the near future.

The building has been retinted and painted inside, new linoleum laid, chairs, desks and tables installed making it convenient and comfortable for any work which may come before the district.

The office is open for the use and convenience of the reclamation men and already has been used to advantage by them.

WINDOW AT NYSSA REALTY OFFICE BROKEN

It is a better plan to not leave a car in gear when standing, so thinks Ray Cantrell and others who witnessed the shattering of the large plate glass window at the Nyssa Realty Co's office, Friday afternoon.

Ray had parked his Dodge in front of the office and when ready to leave cranked the same with the result that the car, left in gear, plunged forward upon the sidewalk and against the building completely destroying the window.

It is estimated the cost to replace the window will be around \$100 and Mr. Cantrell has arranged to cover the cost of damage.
