With each successive season one looks forward to visits of the various tented aggregations that travel the country for the amusement of the people and no show is ever more heartily welcomed than the HONEST BILL Show. They have made a reputation for themselves by giving the people a good high class entertainment which appeals to all as interesting, amusing and instructive. Everybody loves horses and ponies, more especially does this apply to the ladies, who with the little ones, are the most loyal patrons. They are assured of the highest form of entertainment, free from everything at all calculated to offend the most sensitive. "Cupid," the highest educated pony in the world, together with many prancing ponies in military drills and marches, are especially pleasing to the little ones. NYSSA, Aug. 30th, Parma, Aug. 29th.
