## W. C. T. U. MEETING

The Nyssa W. C. T. U. met at the home of Mrs. W. W. Foster, Tuesday, Dec. 6.

A spirited meeting was held and one new member received. Mrs. Catherine Reberger was appointed, by the president Mrs. Mabel Highby, to find a room that can be used as an amusement place for our boys which could be furnished with a pool table, other games, reading matter etc. and be run by the W. C. T. U. Mrs. Virgie Spencer was appointed superintendent of the motion picture department and Mrs. F. J. Brooks of Anti Narcotics. Mrs. J. E. Douglas had charge of the program and used the Union Signal Quiz which gave some of Senator Borah's speeches. Mrs. Highby talked on the coming election and the work of the W. C. T. U. in seeing that dry candidates were voted for and that the women didn't split their vote because of personal reasons. The meeting adjourned and dainty refreshments were served by Mrs. Alta Marshall.

Mrs. Frank Miller will entertain the next meeting which will be Tuesday afternoon, December 20.

Our Loyal Temperance Legion also met Wednesday afternoon at the High school building. The leader, Miss Virginia Worden is doing great work with the youngsters and they bid fair to reach the goal of a Live Wire L. T. L.

### Mountain Sunk in Sea

Though Sunday Island, which is located in the Pacific ocean, rises only 100 feet above the sea, it really is the world's tallest mountain. The top of this island mountain is five miles below the tide level; rising from the ocean floor, the mountain extends upward nearly 30,000 feet from base to summit, says London Tit-Bits.

### Not So Difficult

The average man's erudite needs are easily met, according to a Detroit librarian. "Fully 50 per cent of our queries are answered by using the dictionary or the World almanac," she said. "If you include an encyclopedia on the reference shelf, the percentage jumps to at least 75."

### Lifting Contemplation

The contemplation of celestial things will make a man both speak and think more sublimely and magnificently when he descends to human things.—Cicero.

## Lest You Forget

We wish to state that the subscription price of the Journal is still

# \$1.00 per year

Many of our readers are taking advantage of this rate to pay their back subscriptions and a year in advance
