

GOT THE LONG END

"George and Herman, you'll both stay in after school and write the name of your birthplace 50 times." said the teacher to the two bad boys. School over, the boys settled down to their task. The teacher, looking down the rows of desks, saw Herman in tears. Why, what's wrong, Herman? she asked. "It isn't fair," replied the boy through his tears. George was born in Erie and I was born in Conoquenessing. He's almost through."—The Pathfinder.

DUMB AND SATISFIED

"Jack is having a lot of trouble with his neuritis again." "Well, say what you please, but my sweetie's liver is good enough for me."

Supply Equal to Demand

There's much material for fame. We'll still be celebrating. When we have cheered one honored name, Another stands in waiting.

Had Her There

Pointing Wife (charged with extravagance)—You used to tell me I was perfect. Husband—I was mistaken, by your own showing. Perfection wouldn't be purchasing all this paint, powder and other stuff to improve itself.

Boy, Shoot This

Reporter—I know a person who has lived in one room all his life! Editor—Good! Get an interview right now. Who is he? Reporter—Our three-weeks-old baby!

The Talent

Jack—What's a gold digger? Mary—a girl who can spend all your money and make you think you spent it.

DIDN'T FILL THE BILL

"I am wedded to my art." "Your wife doesn't seem to have the artistic temperament."

No Such Luck

The fool and his money are parted full soon. Could the fool and his auto be. Oh, what a boon!

Amassing Riches

"I saw an old Egyptian tomb filled with priceless treasures." "Yes," commented Senator Sorghum. "Those ancient kings remind us that graft was one of the world's earliest institutions." — Washington Star.

Elimination

"What is your favorite song?" "I'm still campaigning for a return to Washington," said Senator Sorghum. "I don't know much about music. But I'll say this much: My favorite song is not 'Home, Sweet Home.'"

That's Something

First Spinster—Is it true that you're going to be married, Miss Antique? Second Old Maid—No, but I'm thankful for the rumor.

Shopping a la Mode

Modern Shopper—Have you anything snappy in rubber bands? Assistant—No; but we have something catchy in fly-paper.

Conquered

Jail Visitor—And you never had any remorse for your misdeeds? Convict—Yes, I did, lady, but I managed to live it down.

Found Out

Gerald—When did you first get to know Tom? George—The first time I tried to borrow some money.

When it comes to the installation of

heaters, they have had years of experience in the business and represent some of the best heater companies in the country.

They have made a deep study of the system of heating and understand the scientific part of modern heating.

They tell by looking at your plans or building how large a plant should be used, where the registers should be placed and how much fuel will be required to keep your building at uniform heat all the time.

The prices are of the most pleasing character and the promptness of the satisfying kind, getting the work done when promised.

THE SUGAR BOWL

Lunches and Confectionery

Located in Ontario is now one of the most modern and up-to-date confectioneries and light lunch stores in this section of the state under the new and able management of Jenny and Sam Taylor.

They have completely remodeled this store and it is now the finest of its kind in this section. The evergrowing and large patronage it receives is due to the fact that it is clean and sanitary throughout—serves at all times the most palatable foods, candies and ice cream and receives its patronage from the city and surrounding territory as well as from the traveling public.

Courtesy is another outstanding feature of the Sugar Bowl's service until the thought at once comes, "This Confectionery is certainly a wonderful place." You notice here, too, that Sugar Bowl's employees derive a genuine pleasure

from serving their customers, because they are conscientiously aware of the extremely high quality of the food they are serving.

The confectionery and lunch business is an individual business that does not end with merely serving food on tables or counters, but extends to the kitchen and every nook and corner of the building. Only a quick examination is required to observe the splendid sanitary condition of the store and it is undoubtedly a pleasure to the people of Ontario to have such a clean, modern confectionery as this to whom they can refer their friends or strangers. At the Sugar Bowl the food is prepared in such a manner that the place has won a distinction the equal to which is hard to find anywhere, and we do not hesitate to feature this place as "a good place to eat."

ONTARIO GRAIN CO.

Grain, Feed, Poultry and Dairy Supplies

Located in Ontario is one of the most modern feed stores in this part of Oregon and are extensive dealers in grain and feed. They also feature their home made brand of Butter Milk Eggs Mash.

To successfully conduct a business of this nature, requires study and care in selecting the stock. Farmers are no longer satisfied to feed their stock any kind of feed but require a feed that has been tested, and is of proven quality. This concern has given the question careful study, and consequently is aiding in the agricultural development of all the surrounding country.

They handle a full line of feed, both imported and local, and have given special care in selecting it so that it will

give the best results. Only foods that are fat and milk producers will be found in their stock, and they are constantly in touch with their customers who have given it a trial.

They make a special effort to serve the farmers and are glad to give him any advice or information he desires on any subject pertaining to their line and as a result their business has grown until they reach out in every direction.

Because of the great volume of business transacted through their extensive wholesale establishments, because of their up-to-date business methods and high quality of product handled, this well known concern has gained for this section a commercial prestige as an excellent market for retailers that could

be gained in no other manner.

Thousands of dollars are brought in to this section each year through the trade channels by this house, and a number of people are also given employment by this concern. The fact that their trade extends over all adjoining counties their special field brings new faces to the city in which they are located.

In making this review of the onward progress of this section of the country, we wish to compliment the admirable manner in which the business of this valued institution is operated, and their progressiveness and public spirited policies. We wish to refer this establishment to all our readers as one of the distinctive features of the commercial efficiency of this part of the state.

ELECTRIC SERVICE AND BATTERY CO.

Automotive Electricians

Located in Ontario opposite Moore Hotel and the most prominent Automotive Electrical Engineers in this section, and is the Manufacturer's Service Representative for many nationally known lines of electrical auto accessories.

With steady improvement in automobiles the auto electrical engineer has become a necessity rather than a convenience. With practically every car equipped with a self starter and up-to-date lighting system, it requires the work of men who are well versed in this feature of repair work to keep your battery in running order.

The manager of this well known house realized this when he started in business and as a result equipped his plant with all the latest machinery, so that he could turn out work that would pass the closest inspection. He searched the market thoroughly for a battery that would give the people complete satisfaction and decided upon the EXIDE Battery.

In the repair department they have provided machinery for repairing, rebuilding, or recharging batteries. This service is a great accommodation for motorists, for they have learned that their batteries will be correctly

repaired and that the firm gives guarantees on their work. They are probably as well equipped to do this work as any other establishment in the county.

We are pleased in this review to give the manager and his association the prominent place they deserve in the business life of this section and we wish to compliment them on the high quality of work performed.

They have a department where they specialize on all kinds of electric work on all electrical units. For Starter Generator, and all ignition and lighting troubles go to them and you are assured of the best work by men who know what they are doing.

FRASER GROCERY AND HARDWARE

Located in Ontario is one of the largest food stores of its kind in this section, doing an extensive business in fancy and home cooked foods, also a well selected stock of hardware.

This is one of the reliable institutions of this section of the state, doing an extensive business throughout the territory.

By reason of the fact that the management has had wide experience in every branch of the trade, this establishment has continued to witness the

increase in the number of their patrons.

It is important to citizens of the community that we have conscientious firms like this one, will aid in the reduction of the price of living for the people. Their policy along this line will be in interesting reading for many business men, as through this policy they have built up their large and growing business.

They handle the highest grade of selective merchandise obtainable and their ever prompt and widening efficient service.

Here the shopper can select from their shelves of freshly stocked pure foods and groceries. In their line will be found standard and famous brands.

There are no more public spirited citizens in the community than the management of this well-known establishment, and in making this review of the section, we are pleased to comment them and give them in this review the prominent position their progress and reliable policies have merited. We assure our readers that at this store they will receive the best of treatment.
