School Notes

In the first game of the season the boys came out victorious. They started out gradually and Fruitland romped in with two scores in with two scores in the second inning while our boys never scored. From then on things went more smoothly. E. Pratt in the box, retired three men on 11 pitched balls and the boys started to play ball.

From the third inning on, Fruitland chances of scoring looked slim and later proved out of the question. Pratt worked fine while the fielders backed him up with all they had. By the end of the ninth inning the score stood 13 to 3 in favor of the Nyssa boys.

Let's go to the Vale game played at home, Friday afternoon. What say? The game with Parmas proved to be a much tighter game than the Fruitland game.

The day was chilly and made baseball a hard game to play but the boys gradually warmed up and by the third inning were going fairly well.

Frank Rambaud, in the box, fanned out 11 men in the seven innings played but it was too cold for either pitcher or fielders to play any real fast ball.

Seven innings were all that was pitched and at the end of the 8th inning the score stood, 4 to 5 in favor of old N. H. S.

EARLY HATCHING

W. B. Larkin who resides on Bridge Island comes forth with the statement that he had 11 baby turkeys hatched April 6th, the proud mother being a Plymouth Rock hen. We believe this to be an early hatching on turks. His turkey hens have supplied eggs since March 7th and Mr. Larkin states that he has in all 189 hens and turkeys setting at the present, a great number of which are due to come off this month. Two turkey hens are covering twenty-two eggs each. There is a great profit in turkeys and unless something unforeseen happens Mr. Larkin should realize real results from his efforts this year.

USED CARS
with an OK that counts

Because we are delivering more new Chevrolets than at any other time in our history, we are offering a number of exceptional values in reconditioned used cars.

Our used cars carry an official O. K. tag which is reproduced on this page. Attached to a used car by a Chevrolet dealer it signifies that every vital part of the car has been inspected, properly reconditioned and where worn, replaced by a new part. This plan enables anyone to select a used car with absolute confidence as to its satisfactory operation, and the price is absolutely fair and right.

Reasons why you should buy your used car from a Chevrolet dealer

- 1—Chevrolet dealers have been selected by the Chevrolet Motor Company on the basis of their financial responsibility and dependability.
- 2—Chevrolet dealers offer used cars on a plan originated and endorsed by the Chevrolet Motor Company.
- 3—Chevrolet dealers have the necessary modern tools and equipment to properly recondition used cars.
- 4—Chevrolet dealers desire the good will of used car buyers the same as they enjoy from new car buyers.
