## NYSSA WILL CELEBRATE COMPLETION OF ROAD TO DAM

Plans are rapidly shaping themselves for a big celebration at the damsite as soon as the laying of steel is completed. The plan is to run an excursion to the damsite. F. A. Banks, construction engineer for the Owyhee project, has offered the use of the railroad without charge and the General Construction Co. has offered the locomotive, rolling stock and to haul the train without charge.

A general invitation will be extended to all who care to make the trip and a special invitation will be extended to the commercial clubs of the neighboring towns, U. P. officials and Oregon and Idaho officials.

If the Nyssa hunters have their usual luck a venison barbecue will be put on. A good time to all is promised and the works at the Owyhee damsite present a sight worth traveling hundreds of miles to see.

### DEATH OF INFANT

Thomas Martin Moore, the child of John Moore and wife, passed away September 18, 1928, at the home of his parents in Nyssa. He was 17 months of age. Funeral services were held in the Methodist church here Wednesday afternoon, the 19th inst., Rev. John E. Garver officiating. Interment was in the Ontario cemetery. A large number of friends of the family, both from Ontario and Nyssa, attended the funeral services.

Many beautiful floral designs were in evidence. Mrs. C. C. Hunt presided at the piano and a quartette composed of Mrs. Tenacn, Mrs. Higby, Mrs. Arthur Boydell and Edna Dennis sang three appropriate songs. Miss Dennis also sang a very beautiful solo. Mr. and Mrs. Moore have the sympathy of the entire community with them in their bereavement.

### DELIVERY UPSET

The Shelton dairy delivery overturned on the highway Tuesday evening and pinned the two occupants underneath. They were liberated without having sustained any serious injury. The accident happened on the curve near the school house as they were coming into town and was caused by the light from an approaching auto blinding the driver, causing him to run off the grade.

## FIRST CLUB LUNCHEON

The first of the Commercial Club's weekly luncheons was enjoyed Wednesday evening at the high school building. A goodly number of Nyssa boosters were present and showed due appreciation of the splendid luncheon provided. The "eats" were prepared and served by the domestic science class under the direction of the teacher, Mrs. Haworth, and many compliments were heard on the excellence of the viands provided. After the hunger of the participants had been assuaged a round table talk followed and a number of important questions discussed. An attempt was made to take a straw vote on the presidency but as soon as the followers of Al Smith saw what was up they made a break for the door, headed by Ves Goshert, and it will probably never be known whether the vote would have shown a 3-to-1 or a 4-to-1 vote in favor of the republican candidate but it is generally believed that the latter figure would be about right.

### BIBLE LECTURES

Are still being held in the large tent every night in the week except Wednesday and Saturday nights.

Subject Sunday night, September 24—If God is all wise, why did He not create man so he could not sin?

Monday—Will the last true church have the gift of prophecy?

Tuesday—The Song of Moses and the Lamb.

Thursday—Righteousness by faith.

Friday—The two-fold nature of sin.

Watch for next week's announcements.

Everyone is welcome.

Evangelists C. J. Rider and Paul Iverson.

Week after week and month after month the Bigger and Better Chevrolet has swept on to greater and greater heights of popularity—until today it stands acknowledged everywhere as first choice of the nation for 1928!

Never has any Chevrolet enjoyed such overwhelming public acceptance—for never has any low-priced car provided such an outstanding combination of distinctive beauty, thrilling performance and amazing economy!

Its beautiful bodies by Fisher—long, low and racy, and finished in colors that reveal to-day's mode for smartness and individuality—are far in advance of accepted standards in the field of low-priced cars. Inside

and out they prove anew that Fisher craftsmanship is a thing apart.

But Chevrolet performance is no less impressive than Chevrolet beauty and style. Never before was a low-priced car so easy to handle—for the steering mechanism is fitted with ball bearings throughout... the clutch and gear-shift lever respond to the slightest touch... and big non-locking 4-wheel brakes give a measure of braking control that is more than equal to every occasion.

Come in and see the car that has won the approval of more than three-quarters of a million buyers since January 1st. Learn for yourself why it is scoring the greatest success of this great automotive year!
