VOTERS, REGISTER BEFORE OCTOBER 6, OREGON REQUIRES IT

"Women, are you 100 per cent patriotic? Register before October 6. Vote dry. Register and vote because our government is a government, of the people who vote, by the people who vote, for the people who vote. Men are saying women will not vote. What do you say? In Germany 89 per cent vote, in France 72 per cent vote, in Italy 62 per cent vote, in America in the last presidential election 52 per cent voted. Women made up one half of those who failed to vote. Women will not be those who fail this year." This is the pertinent message sent out from W. C. T. U. headquarters and regardless of party affiliations, every man and woman who is a citizen in Oregon, should register before October 6, so that he can vote in the general election in November.
