TURKEY THIEVES

L. H. Larkin, who lives on Bridge island, one mile from town, has a fine flock of turkeys just ready for the market. Last Saturday evening, Mrs. Larkin saw two men enter the poultry yard and begin taking the turkeys off of the roosts. She grabbed a 22 rifle and took one shot at them, when the gun jammed and prevented any further rifle practice. However, the robbers were frightened away, taking with them a number of fine

Thanksgiving birds.

CLOSE CALL FOR BOY

What narrowly missed being a fatal accident to several members of the George Goodrich family Saturday while returning by auto from Payette. The children were covered with a quilt in the back part of the auto when one of them was discovered to be unconscious. The auto was stopped and after prolonged effort the sufferer was brought back to consciousness. It is believed he was overcome by fumes from the exhaust. The other children were affected, but not so seriously. A few minutes longer and the children would probably have been beyond recovery.

Announcing -

The Outstanding Chevrolet of Chevrolet History

- a Six in the price range of the four!

The Chevrolet Motor Company announces The Outstanding Chevrolet of Chevrolet History . . . a Six in the price range of the four!

Spectacular as Chevrolet's achievements have been in the past . . . notable as its engineering triumphs have proved themselves to be—this remarkable new car dwarfs every previous Chevrolet accomplishment. Not only does it introduce into the low-priced field an entirely new measure of performance, comfort, beauty and style—but it is sold at prices so low as to alter every previous conception of motor car value.

The new six-cylinder valve-in-head engine—developed from more than a hundred motors designed especially for this sensational car—stands out as an engineering masterpiece. With a power increase of approximately 32% over the previous Chevrolet motor . . . with sensationally greater speed and faster acceleration—it offers a type of performance that is literally astounding—even to those who have been accustomed to driving cars costing hundreds of dollars more. And it affords an economy averaging better than 20 miles to the gallon of gasoline!

In appearance, this Outstanding Chevrolet is destined to become an automotive sensation—so smart, so stylish and so distinctively appointed that it rivals the

costliest custom creations. The marvelous new Fisher bodies are longer, lower and roomier with an adjustable driver's seat in all closed models—and reveal the matchless artistry of Fisher designers. With their modish new colors, their smart dual mouldings and their distinctive concave pillars, they achieve a degree of original beauty that has seldom been equalled in motor car design.

You are cordially invited to visit our showroom and secure complete and detailed information on this sensational new car which will be ready for delivery beginning January 1st.
