

A SURE WINNER

THE one SURE WINNER in every "get-rich-quick" proposition is the man who promotes the company. He gets his regardless of the outcome—you can count on that.

Does the stock salesman tell you what commission he is paid to sell you your stock, and before buying would it not be the part of wisdom to have your prospective purchase checked up through your bank?

If you contemplate making an investment of any kind, feel free to call upon our officers at any time for consultation. Their knowledge and experience gained from years of contact with varied business enterprises may be of help to you.

Who appreciates your time

BALLED UP RIGHT

Hubby—"Poor old Brown is balled up right this time." Wife—"Been one of his little toots?" Hubby—"No, his wife put a 38 bullet into him last night."

Significant Silence

The orator may find his skill into oblivion sinking. While he with gifts for keeping still Gains credit for much thinking.

No Interest in Life

Husband (anxiously)—My wife seems not to have the slightest interest in life.
Doctor—What makes you think that?
Husband—Well, I've tried her with golf, billiards, football and racing, and it's just like talking to a stone.

More Sophisticated

"Dearest," he said rather sadly, "It doesn't seem like the same old smile you used to give me."
"No, Jack," she returned, "this is a new one. I've been studying at a school of dramatic art."

No Courting House

Officer—You can't kiss that girl in here!
Harold—But we're here to get married. Isn't this the courthouse?
Officer—Yes, but not the courting house.

Tough!

Gladys—So your parents are going to have your marriage annulled?
Betty—Yes. They think I'm a baby. I just can't make them think I'm old enough to get a divorce.

HE WON'T RUN FAR

Going Concern

Many a young hopeful expects his father to give him a start in life and then keep on furnishing the motive power.—Rushville Republican.

Bubonic Plague

Bubonic plague is essentially a rat disease and human cases, for all practical purposes, are not infectious.

Had Read Genesis 9:13

"Robert, tell me something about Noah's Ark."
"Which one?"
"I didn't know there were more than one."
"Oh, yes, there were—there was Noah's ark, the ship, and Noah's arc, the rainbow."

ONLY TO TALK ABOUT

Friend Bill—"Does she know Mrs. Jones well enough to talk to?" Maggie—"No, only to talk about."

The Solemn Aspect

We think a man who wears a frown Has something on his mind. And give to many a mimic clown The burdens of mankind.

The Difference

Man wants but little here below, Nor wants that little long; Our prima donnas want more, though. And want it for a song.

Knew Herself

She—I'll grant your income would be enough for us to marry on, if only you hadn't such expensive fads.
He—Expensive fads? What expensive fads have I?
"Me, for one."

Happy Ending

Jane—So Kit married Charlie. Was it a perfect romance?
Marie—Yes, indeed. She gets every cent of her alimony on the very day it's due.—Town Topics.

A Sad Case

"Herbert, why are you wearing glasses in bed?"
"I'm getting so shortsighted, my dear, that I can't recognize the people I dream about."

Wouldn't Show

Bill—You're buying your girl's face powder now?
Harry—Yes, some that won't show on a blue serge suit.

Wouldn't Hate Much

Clarence—All your love for me has turned to hate.
Glenda—If it had I wouldn't hate you very much.

Unruly Tongues

In the relationship between thought and its utterance, why should the tongue seem so eager to give away the secrets of the mind?—American Magazine.

Way of the World

Do some people a favor and they expect you to keep up the good work until the undertaker gets either you or them.

It Isn't a "GAME" with us

There's as much difference in where you buy your tires as there is in the tires themselves. We're not in the tire "game." We're in the tire BUSINESS. Believe us, there is a difference. When you are in the "tire game" it's largely a case of getting the money and getting by. But being in the tire business is an entirely different proposition. We have a good location and we're equipped with every modern facility for rendering tire service in the right way. Our stocks are complete, our prices are fair and our service is prompt, courteous expert—always in your interest. We handle Goodyear Tires, Tubes and accessories because we thoroughly believe they represent the best value. When we sell you a Goodyear we know you will be back for more.

More people ride on Goodyear Tires than on any other kind. Goodyear has maintained leadership for more than ten years. Goodyear has made and sold over 110,000,000 tires. Millions more than any other kind.

The buyers of more than One Hundred Million tires can't be wrong. We're in the tire business. We're here to stay. Use Goodyears—get more for your money.

RESULT OF A STRIKE

Autolst—"What caused the great fire?" Civilian—"It was the result of a strike in the match factory."

Idealization

My candidate is honest, good and true. And very generous and kind. I seldom meet him. I confide to you I make him up from my own mind.

Finger-Nail Defects

Furrows of the nails are sometimes caused by a local disease which can only be prescribed for by a physician. If these ridges grow toward the end of the nail, they may be eventually removed by the trimming process. If they are longitudinal they cannot be removed by this method, but can only be improved by thorough polishing.

Means Condensed

"Tabloid" designates anything concise or condensed, especially a daily newspaper of small dimensions in which the news is boiled down to brief statements. The term was originally coined by a London firm of chemists, and was at first applied to preparation of drugs in a concentrated and condensed form.

Leaves Nothing to Burn

For checking a forest fire a powerful tractor-drawn plow has been invented that can be pulled across its path, uprooting all vegetation and leaving a fireproof swath.

complete with stabilizer

PROTECT YOUR HEALTH! SAVE FOOD!

THE Crosley Iceball Refrigerator will do anything that any other refrigerator will do and do it cheaper.

Neither electricity nor gas is needed for its operation. After the Crosley Iceball unit has been subjected to a regulated heat—such as you can get from any good oil stove—it will absorb the warmth from the cabinet and produce a dry clean cold.

The average cost of operation is two cents per day.

There is nothing to get out of order nor any chemicals to replace. The first cost is the last.

The cabinet provides ample storage space for foods. Milk and cream can be kept cool and sweet. There is also provision for the making of ice cubes.

The Crosley Iceball Refrigerator is the greatest value in the field. For your health's sake and for your general convenience you cannot afford to be without one.
