**\$200.00 Paid for  
One Copper Cent**

J. C. Martin of Richmond, Va., is the proud possessor of a check for \$200.00 paid him for an old copper cent. The Numismatic Company, Dept. 666, Fort Worth, Texas, who purchased this penny from Mr. Martin, says there are numerous old coins, bills and stamps in circulation for which they will gladly pay big cash premiums. So that you will know the value of old coins and stamps and what to watch for in your change, the Numismatic Company will send for only 4c to any reader of this paper who writes them, a large illustrated coin folder describing some of these wanted articles and the big profits to be made. Better write them today for this large folder so you can post yourself and know just what to look for. Remember that Mr. Martin's knowing the value of his penny meant a difference of \$199.99 to him. Without knowing its value that penny might still be in circulation, passing through the hands of thousands until someone like Mr. Martin, who knows old coins, recognizes its value. It pays to be posted. Send 4c now for the illustrated coin folder. You have nothing to lose, everything to gain.
