

WEISER BUMPS LOCAL NINE SUNDAY; SCORE 5 TO 0

Weiser and Nyssa Now Tied For Second Place In League

Although they collected ten hits off the delivery of Albee the locals were unable to put over any runs while Weiser with the help of errors made her six hits count for five tallies and went into a tie with Nyssa for second place.

Kuntz, first up for Weiser in the second, singled. The next batter hit an easy one to Rambaudo who threw to Johnston at second for errors made her six hits count for five tallies and went into a tie with Nyssa for second place. The next man clicked a double and two runs came in. In the eighth H. Albee drew life when Rambaudo threw to first was low. Grace flew out to right, Mackrill singled and L. Albee walked to fill the bags. Weiser bounced one to Rambaudo for what should have been a force out at home but the ball took a weird hop over his head and went for a hit and two came in. The next man flew out to left field and then Tineher bounced another to Rambaudo and the ball did another stunt and bounced over his head scoring the third run of the inning.

Score By Innings.
 NYSSA:
 R-0 0 0 0 0 0 0 0-0.
 H-1 0 1 2 2 3 0 0 1-10.
 WEISER:
 R-0 2 0 0 0 0 0 3 0-5.
 H-1 2 0 1 0 0 0 3-7.

OWYHEE DAM HAS POPULATION OF 318 PEOPLE

The village at Owyhee dam site, known as Banks precinct, the "mush-room" city of Malheur county which grew almost overnight as a result of construction activity, has a population of 318 people, reports B. S. Crabb, census supervisor. It had 7 in 1920.

NOTICE TELEPHONE PATRONS

Forms for the July issue of the telephone directory will close June 20th. Please have all contemplated changes in listing in by that date.

Bold face listings will be counted unless we are notified. We thank you for patronage.

LAND COMMISSION AGAIN AIR TOPICS DOMAIN TRANSFER

Mead Urges Continuation of Present Reclamation Program Undisturbed If Any Change Is Made

For another discussion of President Hoover's proposal to transfer administration of public domain from the department of the interior to state control, the public land commission met in Washington the latter part of the week.

Chas. C. Moore, commissioner of the general land office, set forth the difficulties which might arise in land survey and issuance of patents to settlers who already have established residence on the public domain under squatters' rights. Commission members suggested the possibility of turning the land over to the several states, subject to the settlement of the claims of squatters and completion of survey but the question remains to be settled.

Moore testified that a survey of 190,000,000 acres of public land would be a difficult project for the various states from a cost standpoint.

Commissioner Mead urged continuation of reclamation work, as nearly undisturbed as possible, in any arrangement for transfer to the 11 western public land states. Questioning developed that turning the surface rights over to the states would make little difference in the income of the revolving reclamation fund from oil and gas leases and forest reserve sales.

The committee will meet again in October to formulate definite recommendations to be reported to congress in December.

Some time ago an Oregon board took a stand against transfer from federal to state administration. E. C. Van Petten, the Oregon member of the Hoover commission, was at the session in Washington which closed last Friday.

NYSSA DROPS ANOTHER

Inability to hit consistently and weird baserunning caused the Nyssa boys to hand the Caldwell boys a call game here Thursday evening. Nyssa had five men put out at home plate through careless base running and handed Caldwell several runs by juggling the ball. While Young fanned 16 batters he allowed several busy swats that in connection with errors spelled defeat 5 to 1.

NYSSA COOKING CLUB

The Nyssa Cooking Club composed of eleven little girls have finished their project 100 per cent. They have the congratulations of the County Club leader as well as the local leader.

HUB WARD, DIES WEDNESDAY

Prominent Bank President Succumbs While on Way Home From McCall, Ida.

The entire community was shocked last Wednesday when the news was received that Mr. Hub Ward, one of the most prominent men in this section had passed away suddenly.

In company with Mrs. Ward he was returning from McCall, Ida., Wednesday, where they were overlooking some of their sheep herds, when he suffered a stroke which caused instant death.

Deceased was president of the Malheur County Bank, of Nyssa and one of the most prominent farmers of this section of the state.

As we go to press we are unable to secure any information as to funeral arrangements. A complete obituary will be given next week.

HARNEY CO. WATER RIGHTS NEAR SOLUTION

The problem of water rights in Harney county appeared a step nearer solution Tuesday with the announcement that homesteads which interfere with the free use of water have been ordered cancelled by the commissioner of the land office at Washington. A homestead filed in 1928 controlled a water supply on Wagontire mountain said to be the only available for stock over a large and arid area. The water hole was fenced in.

CALIFORNIA BUYS 40 ACRE TRACT

After looking over California, Nevada and Oregon, a homeseeker, Randolph Foster, from Ransburg, Calif., found just what he wanted in the Vale country. He finds satisfaction in the creation of a productive farm from raw land, so he purchased a 40 acre tract on the west bench of Bully creek.

He thinks this section ideal for fruit production in particular and plans to specialize in this field.

SCHOOL ELECTION

Don't forget the school election which will be held Monday June 16, at the school house in the afternoon.

LIMITS OF FAULT ZONE REACHED AT OWYHEE DAM

About 400 Men Are Now Employed On Projects.

The lower limits of the fault zone in the bottom of the river bed have been reached, and all work is now being concentrated in this spot. The distance from the very bottom of the dam to the top, which will be a roadway, is 525 feet. This work will be finished in about sixty more days and work will then be started on pouring concrete for the dam proper.

Including all companies, who are employing men on the tunnels and the General Construction Co., about 400 men are being employed. The McGoffen Company are about 150 feet in their tunnel, while Shae and Connelly are almost ready to start real work.

M. E. CHURCH NOTES

Jose J. Blokland, Pastor Phone 13

All reports for the conference year will be given, and pines laid for the new conference year. Rev. Hamilton will preach at both places.

Haying is now in full swing all over the county and the crops are reported excellent.

LEAGUE RACE REAL FIGHT NOW

Vale May Cinch Pennant Next Sunday If They Defeat Weiser

The race in the Idaho-Oregon League developed from what looked like a walkaway for Nyssa or Vale to a real fight. Weiser and Wilder after poor starts have been playing bang up ball and made life miserable for the league leaders. Wilder, twice beaten by Nyssa, have handed the Vale team their only defeats this year, and Weiser's Sunday win places them in a tie with Nyssa for second place. Adrian after winning her first three games, lost four straight, all by close scores and are a threat to any of the teams.

Next Sunday Vale goes to Weiser for the most important game of the day. A win for Weiser will place them in a tie for first and if Vale is victorious they will practically cinch the pennant. All teams are fighting for a place among the first four which will give them a shot at the \$350 purse at Vale during the 4th of July series. Nyssa entertains Adrian next Sunday while Huntington will endeavor to get in the win again column at Wilder.

STANDINGS.

Team	Won	Lost	Pct.
Vale	6	2	.750
Nyssa	5	3	.625
Weiser	5	3	.625
Wilder	4	4	.500
Adrian	3	5	.375
Huntington	1	7	.125

PIONEERS TO BE HONORED AT DINNER THURSDAY

Civic Club Sponsors Centennial of Oregon Expedition

Come to the Pioneer Dinner at the Gymnasium on Thursday June 19th beginning at 6:30. All those, who have lived in this vicinity for forty years or longer, are cordially invited by the Civic Club to be honor guests.

Come in gingham and overalls for a real old fashioned good time. Old time music on the accordion, harmonica and violin will accompany the dinner.

Tickets for the dinner will be 25c and 35c with reduced rates for large families.

A Jitney Dance will follow with a good varied program of dances to suit everyone's taste.

IDAHO POWER CO. EMPLOYEES PICNIC

The employees of the Idaho Power Company enjoyed a picnic at the Big Bend park last Sunday. With the weatherman handing out a nice brand of weather for a picnic, a large attendance and loads of good things to eat, it was an enjoyable affair for all.

One of the main entertainments for the day was a baseball game between Caldwell and Payette employees, which was a hard fought battle and was won by Payette, score 8 to 6.

Races, games and other contests for which prizes were awarded afforded much amusement for the occasion.

BRIEF NEWS OF NYSSA

Donald Sherwood, returned from O. A. C. on Friday.

Mr. and Mrs. N. R. Shaw of New Plymouth visited Mr. and Mrs. B. O. Fowler on Thursday.

Mr. and Mrs. J. H. Cushing and sons of Weiser, called at the F. R. Marshall home on Sunday.

Mrs. H. R. Scott and two children are spending several days at Westfall at the Wayne Hyde home.

FOR SALE or might trade a new Racine grain separator cost \$1150.00. Will sacrifice at \$190. Mr. Hill, IdanHa Orchards. 1w

Mr. and Mrs. C. Goodrich left on Thursday for Klamath Falls for a short stay with friends, after which they will proceed on to Arizona, hoping that climate will be beneficial to Mr. Goodrich's health.

Miss Sophia Hunter and Mrs. Maria Hunter of Rupert Idaho, arrived in Nyssa Friday May 30, guests of Mr. and Mrs. Monty Hunter. Miss Sophia Hunter returned to her home after a week's visit. Mrs. Maria Hunter remaining for an indefinite period.

Mrs. Earl Ward and Mrs. Franklin Fry were hostesses to the Eastern Star Social Club at the home of Mrs. Fry Wednesday afternoon. After a pleasant social hour of games and contests, delicious refreshments were served.

Mrs. Monty Hunter and her mother, Mrs. Maria Hunter were the guests of Mrs. Walker Welforth at the Owyhee Dam Monday. Mrs. Welforth accompanied them home, spending that evening and the next day as their guest.

FARMERS FIND NOXIOUS WEED VARIETIES MANY

County Agent Urges Farmers To Watch For Patches and Destroy Them.

The danger of noxious weeds lies in the fact that most farmers will permit a small start to spread. If they could recognize the many varieties of dangerous weeds, in nearly every instance, a small patch could be easily destroyed before it reached serious proportions, says County Agent R. G. Larson.

A careful survey of fields should be a part of the routine if crops are to hold their own against the evil of ever increasing weeds.

On a recent inspection tour Mr. Larson showed a large number of farmers group patches of Canadian thistle, wild pepper and other weeds that will have disastrous results on local farm crops if they are not combated continuously.

Mr. Larson plans an extensive weed extermination campaign for this season and it is to the best interests of all farmers of Malheur county to cooperate with him in every way possible.

OLD TIME RIVALS WILL MEET NEXT WEDNESDAY

The baseball fans have a real treat in store for them on next Wednesday, June 18, when the Nyssa nine will cross bats with the Ontario team, on the home grounds. The game will be called at 6:15 P. M.

Nyssa and Ontario are old time rivals and the game next Wednesday evening promises to be one of the best of the season. Admission will be 50 cents.

The boys expect a big turn out, so be there and give them your support.

Along Memory Lane

From the Gate City Journal of 10 and 20 Years Ago

10 YEARS AGO

A large number of taxpayers met with the school board on Tuesday night to talk over the plans being outlined for the building of more school room. It was decided that the board go ahead and make their plans for the building that would be a permanent structure.

The death of Mr. R. B. Thompson, occurred at his home in Ontario last Sunday morning about 6 o'clock. Mr. Thompson had been ill for some time and his death came as no surprise to his many friends in this vicinity. Mr. Thompson has been a resident of this county for many years coming here from Allerton, Iowa.

A big crowd witnessed the fast game between Nyssa and Star last Sunday which was won by the home boys by a score of 8 to 6. The Nyssa team had its hands full, for the Star boys were there all the time and they never had to look for the ball. In the first part of the game Star was in the lead, but the home boys realized they had to play ball and soon gained the counters which hold their reputation as before—the winner. At the 8th inning the score stood 3 to 5 in favor of Star with Felton Duncan a cripple, having received an "upper cut"—the ball hitting him in the eye—which no doubt caused the luck of the home boys to change. Though Mr. Duncan only had one eye to finish the game with, he stuck to the job and onlookers could not tell but what both his eyes were working.

20 YEARS AGO

Is Nyssa going to have an Alfalfa mill?

Wells Bros. have begun the grading of Nyssa's streets, and soon will have it looking like a city. Sixteen mule teams and men are kept busy daily, and thousands of yards of dirt is being moved.

Last Wednesday, Nyssa was honored by a very distinguished caller in the person of Henry Shrdlu tao Holland lad of some 20 years of age, who has undertaken the task of walking around the world.

The body of J. S. Abbott, was found at 10 o'clock Monday morning on the farm known as the Hoxie ranch, 4 1-2 miles from town, by Allen Green and John Evans, who broke open the house and found the old man sitting in his underwear near the stove, apparently having taken some medicine during the night, a part of which was on the table. The face showed several bruises and part of the whiskers were burned, probably caused by falling on the hot stove. Coroner Paine was notified and upon arrival took charge of the body and brought it to Nyssa, and summoned a corner's jury who held an inquest over the body.

DO YOU GIVE YOUR TOWN A SQUARE DEAL?

By Louis E. Bisch, M. D., Ph. D.

There never was a time when an individual, man or women, did not owe a duty to his community.

To live apart from your neighbors, taking little or no interest in the affairs of the town in which you reside is both selfish and unwise.

Has it ever occurred to you what you owe to your community?

Have you ever imagined what your life and the lives of those who are near and dear to you, would amount to if there were no community—if you had to do everything for and by yourself?

If the groups of individuals among whom you find yourself were non-existent, do you suppose you would have any ambition—the very life-spring that keeps us going?

Do you think, under such conditions, you would be as comfortable as you are?

Do you think you would miss the autos, the theatre, the butcher and baker and grocer, banker, lawyer, telephone, stores, garages, and the luxuries of a modern home, and the other innumerable advantages of community life.

Well, that is exactly what your community gives to you. In return it's up to you to pay back.
