Kindness

No one can give a rule for kindness,
since kindness is our response to the
ever-changing needs of other people;
but one thing is constant in kindness,
and that is the heart of love.

Origin of Dominoes

Dominoes was invented by two
French monks, who amused them-
selves with square flat stones, marked
with spots. The winner declared his
victory by reciting the first line of
the Vesper service, "Dixit Dominus
Domino Meo." When, later, the game
became the recreation of the whole
convent, the Vesper line was abbrevi-
ated into "Domino," and the stones
themselves received the name of "Dom-
inoes."

Children's Favorite Books

Opinions differ as to the most pop-
ular book for children, but when over
fifty famous authors were asked by a
New York newspaper to name which
book they had read as children and
still liked, "Alice in Wonderland" was
the overwhelming favorite. "Grimm's
Fairy Tales" ranked second in popu-
larity, followed by "Swiss Family
Robinson," "Little Women," "David
Copperfield" and "Andersen's Fairy
Tales."
