## THE ONTARIO CONCRETE PIPE COMPANY

This progressive manufacturer of cement products is located in Ontario or you may phone them at 111. Their cement pipe is in great demand throughout the entire country and is most popular with those contractors who have a wide experience in the use of their products. The economy, safety and supremacy of their pipe is an acknowledged fact and needs no comment here.

Concrete pipe company sell direct to township supervisors and county commissioners. We would advise our readers and these men to think of this company when letting any contracts for culverts or cement pipe. Within a radius of many miles this firm is known as one of the most extensive contracting firms in this line, and as builders of cement pipes for highway building purposes that are as near waterproof as it is possible

to make them. Their products are all sold direct from the factory which saves cost. Though expert in their line this firm has always been very reasonable in their prices and the people of the community have found it worth while to consult with them before contracting elsewhere.

This policy of goods of high quality, service of the most painstaking kind, and very reasonable prices, has brought it this concrete works a large patronage and the confidence of the people.

They invite you to visit their factory any time and to inspect the work.

The manager Mr. Claude E. Bingham, is one of the well known business men and manufacturers of the county and has always taken an active interest in our onward progress. He is one of the valued citizens we wish to compliment upon his success and progress of his company.

## LA DORE HAT SHOP

Formerly Osborne Hat Shop

Hats are the pride of every woman's heart. Like nothing else, a hat that is chic and of late vogue seems to give her a personal feeling of coveted distinction. There is nothing so cheapening to a woman's appearance, nothing so galling to her pride as a hat which is unbecoming.

Women of this community have learned that with a style that is different and bears a mark of distinction is found in The LaDore Hat Shop in Ontario.

Individuality and distinction of design is noted in millinery at this ladies' store, and this is in a large degree responsible for the extensive trade and repeated business in this shop of fashion.

The story of the success of this wide-awake millinery is one that many business men would find to be profitable reading. This institution began its career with the knowledge that success could be obtained only through ability to furnish hats of superior quality,

with a reasonable margin of profit. With this method in mind and systematic reduction of overhead, they proceeded on the rock foundation of Good Values and Reasonable Prices.

All the goods for the millinery store come from the arbiters of the very latest fashions and are of rare beauty and design. A large line of the seasons stock is now on display for the accommodation of the public, and no matter whether it is sport or dress wear you can get it here and it will be becoming and give you that final touch to the new ensemble.

The establishment is under the direction of management of excellent taste, featuring high grade goods at reasonable prices.

It is a pleasure for us to direct your attention to The LaDore Hat Shop as one of the important features of the commercial life in Ontario.

## Apple Valley Items

Raymond Smith, of Richfield, came Friday to be with his father, who is critically ill. Mr. and Mrs. Brodie of Picabo, are also staying at the Smith home.

Mr. and Mrs. Raymond Hill and baby were Sunday dinner guests of the Adams home.

Jim Correll is treating his house to a new coat of paint.

Mrs. Carl Pielstick spent Friday afternoon with Mrs. Van Cluf at Wilder.

Mrs. Hugh Fries, who is in the Holy Rosary hospital in Ontario is reported as recovering rapidly from

her recent operation.

Andy Nelson and son Herbert and Archie Willis returned home Sunday evening from a fishing trip to Stanley basin.

Mr. and Mrs. Alfred Winkelman and baby and Thelma Wallies, of Lowell, Ore., visited last week with Mrs. Winkelman and Thelmas sisters, Mrs. A. P. Norland and Rosa Wallies.

On Friday evening the Sunshine Class of the M. E. Sunday School with their teacher, Mrs. Tener enjoyed a picnic on the school lawn.

Mr. and Mrs. Bert Rose and Mrs. Mathews of Parma, were dinner guests at the Morris home Tuesday.

Mr. and Mrs. J. A. Pettit, Olive Bailey and J. W. Helton spent Saturday at the Charles Hall home in Caldwell.

Mr. and Mrs. Rollo Rucker and children and Grandpa Rucker spent Sunday with relatives at Sweet.

James Hunsucker and family and Bob Davidson spent Sunday at the Billy Maggard home at Rosewell.

The Van Landingham family have returned from Soshone and are visiting relatives in the community.

Mrs. Edna Barnes and little daughter went to Caldwell Sunday to spend the week with her sister, Mrs. Walter Newell.

Polliver and Tom Stewart, of Burlington, Ia., came last week for a visit with Wade Robinson.

An accident which might have proved more serious occurred Saturday noon, when Ray Tener was coming home from Parma with a truck load of feed. He stopped at the Clending home to let Mr. Clending out and a Model A Ford sedan driven by a Miss Edward, of Fossil, Ore., crashed into the rear of his truck.

Mr. Clending, who was just alighting and had one foot on the ground was thrown some distance, but aside from being shaken up and receiving a small cut on the hand was unhurt.

Mr. and Mrs. Rob Edison and children, of La Grande, visited over Sunday at the home of Mrs. Edison's sister, Mrs. A. P. Norland.

The following enjoyed a picnic in honor of Mrs. Wade Robinson's birthday at the Robinson home Sunday: Mr. and Mrs. R. S. McIntyre, Mr. and Mrs. Roy Gee, Mr. and Mrs. Fred Miller and daughter, Mary Ella Meltvedt, Mr. and Mrs. J. J. Hicks and daughter, Polliver and Tom Stewart and Mr. and Mrs. Robinson and son Earl.

There will be no Sunday School or preaching services at the church next Sunday as most everyone is planning on attending the general Conference at Weiser.

Mr. and Mrs. Roy Tener were in Boise on business Monday.

## GILLEY'S WOMEN'S WEAR SHOP

The Gilley's Women's Wear Shop in Ontario, occupies a distinctive place in the distribution of smart wear and is a fashion center for ladies and misses from all over this part of the state.

You will look like a wonder-somebody from somewhere, just as if you had been a life long customer of a Paris shop or had visited the most exclusive shop of the Avenue of New York if you do your shopping here, as they have the very latest, in fact anticipations of the styles of the morrow. Gilley's Women's Wear Shop also have the reputation of offering chic millinery and the many smart hats that have been turned out from their efficient shop have been the subject of much favorable comment among the ladies.

The manager visits the most advanced makers of the day, those creators of fashion who know what, tomorrow, will be popular; is an excellent judge of style, materials and finishing and secures for the people of this part of the state choice importations and American made products from the latest French models.

The service of Gilley's Women's Wear

Shop is individual. The sales people are students of the types of people, the correct styles of the day and of excellent judgment, thus being able to aid in the selection of garments that are very becoming. This service is helpful but never obtrusive and no one is urged to buy. They do not want to sell you anything that they know you will not like as they are not looking for a sale, but customers who depend on their service for years for the coming fashions.

At this exclusive frock shop you will find the very latest in winter coats and dresses and you may rest assured that Gilley's furs are better.

In making this review we are glad to compliment them upon their modern store, its excellent appointments, their stock of advanced styles and their modern service. The fact that they are responsible for so many smartly attired people of this part of the state and add much to the charm of the dress of the period makes them merit the large custom they enjoy and the commercial success which they are achieving.

## INDEPENDENT MARKET

A. Robinson, Meats—Phone 6.

Food—W. R. Stare—Phone 135

Whose store is at Ontario, Phone No. 6. This store is headquarters for people from all surrounding territory for meats and groceries of all kinds, featuring everything of the best—have the latest refrigerating system and place is kept in the most sanitary manner. "Their meats are better" as they do all their own butchering.

Certain business houses are successful in a community because they consistently and faithfully supply constant needs to the public. This well known firm certainly comes under this classification. The managers know that meat is a necessity which is wanted quickly and at any moment. They felt that success in this line would go to the firm that was able to supply the wants of the people at times of need.

In studying the needs of these people they have learned many things. Import-

tant among these is that as complete a stock as possible must be kept on hand at all times.

They are equipping the store with the very latest of scientific refrigerating devices and thus are prepared for the provisions so that when they arrive at your place they will be in the very best of condition.

In making this review of the business of this section and noting the spirit of the times we see that the management of this store is in strict accord with the trend of the day and we wish to compliment them upon the commanding position occupied in the business world and to suggest to our readers that they will find a visit to this store met with success and that life will be one unbroken chain of pleasant dinners if selections are made from their excellent stock of meats and groceries.

## DR. HARRIET SEARS

Osteopathic Physician

With offices in Ontario practices one of the most famous Osteopaths in this country.

This day and age of specialists in the profession had found that the science of osteopathy has progressed and advanced with rapid strides; old fashioned ideas of yesterday are put aside and in their place are new progressive methods of today.

This popular osteopathy has kept pace with the times, readily adopting the modern developments of osteopathy. Undoubtedly no division of the field of scientific research has made greater advances than the science of osteopathy.

Numerous osteopathic hospitals and sanitariums are to be found throughout the country and a large laboratory in California is devoted entirely to research work. Osteopathy is based on tissue and structural integrity for properly bodily functioning. It requires the most intimate knowledge of all medical subject, As an art it demands the highest degree of manipulative skill.

In this review of our valuable assets we compliment the doctor on the valuable work she is doing in this section and the rapid advances she is making in her chosen field of endeavor.

You will find her courteous and accommodating at all times. The general satisfaction expressed by many patients, people of standing in the community, is well merited tribute to her efficient and conscientious methods.

The science of osteopathy was discovered in the year 1874. The first school was established at Kirksville, Mo., in 1892, and there are seven recognized schools today. The course of study covers four years of nine months each.

In this edition it gives us pleasure to refer our readers to Dr. Harriet Sears, and advise them that at this office they will receive the best professional treatment and we would urge them to remember her when in need of anything of this character.
