RUPTURE EXPERT HERE

C. F. Redlich, Minneapolis, Minn., will demonstrate without charge his unequalled method at

Payette, Sunday, Nov. 9, hours 10-4
Monday, Nov. 10, hours 9-3,
at the Bancroft Hotel, evening by telephone.

Mr. C. F. Redlich says, The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a load you lift. They give instant relief and contract the opening in a remarkably short time.

The secret of their success is in their simplicity. An expertly adjusted device seals the opening without discomfort or detention from work. It is practically everlasting, sanitary, comfortable and actually holds ruptures which heretofore were considered uncontrollable.

Stomach troubles, backache and constipation, nearly always a consequence of rupture, promptly disappear.

NOTICE: All whom we have treated during the past ten years are invited to come in for a free inspection.
