

LITTLE NEWS OF NYSSA

Wilmer Boyer of Ontario was a business visitor here Tuesday.

Mr. and Mrs. Frank T. Morgan and family spent Sunday in Kingman Kolony with Mr. and Mrs. Maurice Judd.

Mrs. Helen Clement of Ontario is among new subscribers to The Journal.

Roads are being improved in the Arcadia community by a county road crew.

Blaney Roydell has been ill the past week.

Mrs. Marshall Spell of Nampa spent Monday and Tuesday with her sister Mrs. C. L. McCoy.

Steve Regan was here from Ontario for the meeting of grain growers Tuesday.

Tom Coward and family were in Payette and Fruitland on business yesterday.

Loss Snow is ill of plural pneumonia. He lives at the Hub Ward ranch in the Kolony.

C. M. McDuffy, newcomer from Roseburg, is negotiating for the purchase of the George Reberger ranch. The property includes a fine apple orchard of about five acres.

Harold Hoxie left yesterday for Chicago where he will attend the Coyne Electrical school. He plans to enroll for a four months course. His brother Herbert is returning from Dallas, Or., to take charge of Hoxie Service Station.

A basket-ball team composed of members of the Nyssa-Apple Valley Epworth league edged out a pick-up team from Big Bend Monday night at Roswell 33 to 31. The game was the third clash for the teams, all three being closely contested. Players from Nyssa were Clyde Benton, Gilbert Klinkenberg, Earl Boston, Wesley Newton, Harley Raymond, Chester and Bela Chester.

It Puts an End to Oiling Worries

This "cut-away" view was prepared just to show you how efficiently the John Deere oils itself. That self-oiling feature is one of the big reasons for the steady power and long life of the

John Deere Type E Engine

The simple splash oiling system insures the thorough lubrication of every working part. Clean oil is kept circulating—every important working part is bathed by a spray of oil while the engine is in operation. Oiling is stopped automatically when the engine is stopped—no oil is wasted. Messy, easily forgotten sight-feed oil cups are done away with and friction, one of the greatest of power thieves, is reduced to a minimum by this positive automatic oiling system.

Come in and have us show you how efficiently the John Deere oils itself. Examine the simplicity of design and the sturdiness of its parts—the John Deere engine will do its work steadily and efficiently and will stand up under severe conditions on your farm.
