

Civic Club Tea Is Red-Letter Day March 16th

To earn its first quota for the swimming pool fund of the Nyssa Civic club, Mrs. C. C. Hunt's division will give an afternoon tea at the Parish hall next Wednesday, March 16. A plate luncheon will be served with a cover charge of 25 cents each. If plans

materialize, several surprise features will add more than usual interest to the entertainment for the afternoon. Mrs. Hunt's division met Monday at the library rooms and made arrangements for the affair.

Remember the date—everyone is invited.

LIBRARIES SEEK BOOKS TO SUPPLY INCREASED DEMAND

By FRANCIS MILLER
County Librarian.

Present economic conditions have increased the amount of leisure, both voluntary and involuntary, and sent many people who cannot afford expensive amusements to the library to read. At the same time the library's income has suffered a decided reduction.

It is impossible to buy new books and new copies of old ones, yet every effort must be made to give Malheur County good service now when wholesome yet inexpensive recreation is needed.

We are therefore appealing to people whose interest in the cultural life of our community is known. Can you help the library, and through it the whole county, by donating books from your personal library? Good recreational fiction, biography, history, travel, or almost any book published within the last 5 years, are desired. We are designating the week March 27 to April 2 as Library Book Week. The books may be brought to the Central Library at Ontario to branches at Vale or Nyssa or delivered to the custodian of a station, who will turn them in to the Central Library.
