Civic Club Plans Spring Work At Park

Women of the Nyssa Civic club have vision—with effort and thought directed at improvement of the city park. They have 1000 trees, more hardy type than the ones planted heretofore, for setting out on the grounds. They have started a fund for building a swimming pool in the southeast corner of the park. They will build a track around the entire park for use of students and others of the community. Mrs. Dick Tensen, chairman of the park committee, also reported at the meeting Wednesday that the city council had appropriated \$150 for spring work at the park.

Mrs. C. W. Barrett reminded club members that it is now time to plan the early annuals. Mrs. Barrett has been studying soils during the winter months and she pledged her assistance in gardening to all flower lovers. Mrs. Sam Davis read a splendid article, describing the Barrett rock garden, from the Sunset magazine.

Mrs. J. Dennis was appointed to take charge of making a club quilt which will be sold for club benefit. Mrs. C. L. McCoy sang two beautiful Irish songs, accompanied by Mrs. C. G. Hunt. Little Dickie Tensen delighted the audience with a song and there were readings by Ruth Flanary, Margorie Groot, Luella Leuck and Lester Keizer. Girl Scouts repeated the enjoyable little skit "The Ton Family."

The club favored a motion changing the annual election from January to April. In the absence of Mrs. Frank T. Morgan, who is ill, Mrs. J. J. Sarazin
