Can't find the Hat you want?
Then you haven't tried
TOGGERY BILL

We're talking pretty "sure of ourselves" ... but you'd be the same if you had a stock of \$5 hats that was head and shoulders over any other stock in Malheur county.

And if every man who tried on your \$5 shape thought it was a \$7 hat he was looking at ...

And if every buyer immediately started to be a seller to his friends

Wouldn't you feel a bit proud of your accomplishment?
Wouldn't you now?
