VOTE FOR

Senator Frederick Steiwer

AT THE PRIMARIES MAY 20

The people of Malheur County owe Frederick Steiwer in the primary next Friday, May 20th, their votes for his renomination for United States Senator.

He has served the people of Malheur County well in his vigorous support of the Owyhee and Vale projects, and has made repeated trips here at his own expense to help us.

He has supported at all times in Congress the interests of agriculture, the laboring man and the livestock industry of the state. Requests for help from this section and all parts of the state have met with instant response from him.

It is up to us to keep that kind of a servant in Congress.
