A Candid Statement to the
Voters of Republican Party:

Having sought the nomination on your ticket for the office of County Treasurer, and being unable to call on you all personally, I submit this for your consideration, in support of my candidacy. I am teaching school and can not get away to meet you.

I am a native Oregonian and a widow. I was born at The Dalles, but have lived in this county over 30 years. Part of the time was spent teaching; most of it as the wife of Milt Hope of Vale, whom very many of you knew, and who passed away in 1927. I was compelled to go back to teaching to take care of myself and three boys. That is why I seek the position. I want to be at home, and I need the money which goes with it.

I feel I am qualified by education, training and experience to handle the work of the office. If nominated and elected, I would always try to execute faithfully, efficiently and economically, the duties of the same, and would keep in mind, the fact you had placed this important trust in my hands; and I should try to prove myself worthy of it.

MRS. ORA C. HOPE,
Republican Candidate
For County Treasurer.

Mr. Waddingham reports a splendid demonstration of what can be accomplished in a short time. He will continue giving band lessons at Wilder and Notus throughout the summer.
