

DR. MEAD WILL DEDICATE OWYHEE DAM

NYSSA DOWNS HUNTINGTON IN EIGHTH INNING

LOCALS HOLD LEAGUE TOP WHEN ONTARIO LOSES 14-INNING BATTLE TO EMMETT NINE; BOISE AND NAMPA POSTPONE GAME.

IDAHO-OREGON LEAGUE
Standing of Teams

Club	W	L	PCT
Nyssa	5	1	.833
Ontario	4	2	.667
Nampa	3	2	.600
Boise	2	3	.400
Emmett	2	4	.333
Huntington	1	5	.167

On a cold and windswept diamond, Nyssa nine repulsed an invasion of the Huntington team, 5 to 2 Sunday. It was a good game with the score two all until the eighth.

Long took a base on the catcher's error and scored the first run in the fourth stanza on Dick Young's two-base hit. Servoss clouted a three-bagger and scored in the fifth, tying the score. But the thrill came in the eighth. With two down, Dick Young came up to bat. He had but one to go and clouted a three-base hit which brought in Long and Rambaud. Herb Hoxie's two base single scored Young. Servoss fanned but Nyssa had three and a safe win.

With 13 strike-outs to 11 for Alexander of Huntington and 3 hits out of four trips to bat, Young featured for the day. Greeling, Hoxie and Servoss made a pretty double play.

ONTARIO LOSES TO EMMETT
In a 14-inning marathon at Emmett Sunday, Ontario lost a 5 to 4 battle and her top of the league position with Nyssa. The score was tied 2 to 2 at the end of the ninth after a circuit drive and 3-base hit by Merl Long, catcher for Ontario. In the 14th inning, Bates of Emmett connected for a long hit and scored Lyons, Brown and Bates. Guffin struck out 14 men for Emmett, Nufftengale and Soper ten.

BOISE POSTPONES GAME
On account of the cold weather, Boise and Nampa postponed their game in favor of a twilight contest later in the season.

YELLOWSTONE ROAD DEDICATION WILL BE HELD JULY 8-9

Friday and Saturday, July 8 and 9, Burns will hold the celebration in honor of construction of the Yellowstone Cut-off highway, the new short route from Malheur county, Harney and Lake counties connecting with highways in Northern California. The dates were selected at a meeting of the Burns chamber of commerce Tuesday.

As part of the Yellowstone cut-off event, Wm. Hanley of Burns is arranging for a caravan to traverse the new highway and drive from Boise to Burns and a California city along the route.

Kolony Girl Scouts Map Busy Season; Select Merit Judges

The recently organized Sand Lily troop of Girl Scouts of Kingman Kolony have started a busy season under the direction of their leader Mrs. Maurice L. Judd. She will be assisted this summer by Miss Pearl Williams, an enthusiastic Scout and outstanding girl athlete at Utah State College this year.

Fourteen judges have been selected to pass the Scouts on work for merit badges, as follows: wild flowers, Mrs. J. Holly; garden flower, Mrs. C. E. Peck; rock study, C. E. Winters; health, Mrs. Frank Miller; tree study, N. S. Phelan; hostess, Mrs. E. H. Brumbach; cooking, Mrs. Charles McConnell; canning, Mrs. Charles E. Schweizer; birds, Miss Margaret Hunt of Nyssa; insects, Miss Leslie McDonald of Parma; swimming,

NYSSA GIRL IS BEST ATHLETE AT UTAH STATE

First to arrive home after attendance at colleges during the past term were Miss Pearl Williams, student at Utah State college in Logan, Utah, and Miss Jeanette Martin, student at Lewiston Normal school in Lewiston, Idaho.

To Miss Williams went the honor of best girl athlete at Utah State. She was elected vice-president of the Women's Athletic association for the coming year and will also have work as assistant swimming instructor. Miss Williams is a daughter of Mr. and Mrs. H. B. Williams of the Kolony.

Miss Martin has graduated from Lewiston Normal school. She is a daughter of Mr. and Mrs. Conrad Martin of the Kolony. With cum laude honors, Miss Grace Posey received her bachelor of arts degree at the College of Idaho, Caldwell, Monday. She is the youngest daughter of Mr. and Mrs. W. T. Posey of Nyssa.

MISS VORHIES GIVES RECITAL

YOUNG VIOLINIST AND PIANIST OF NEW PLYMOUTH DELIGHT CROWD AT MUSICAL PROGRAM TUESDAY.

Miss Bernice Vorhies, charming young violinist of Nyssa, gave a recital Tuesday evening at the Methodist community church which was a decided treat for the large crowd attending. Bridge lamps and lovely roses formed the stage setting.

Opening the program, Jack Brownson, 10, a member of Miss Vorhies' Homedale violin class, gave two excellent selections. Wanda Howell followed with three numbers and played in a trio with Irene Eubank and Miss Vorhies, which was splendidly done. Miss Eubank, age 14, was remarkably good and won the audience with her first number "Traumerel." She has been a student of Miss Vorhies for two years.

Listeners were charmed by Miss Vorhies' interpretation of "Reverie" by Vieuxtemps and her technique in "The Liebesbrosud" by Kreisler. She delighted her audience.

Claud Snyder, brilliant young pianist of New Plymouth, accompanied all violin numbers. In a solo, he executed the Rigoletto by Verdi and Liszt with ease and brilliancy. With remarkable ingenuity he improvised a number. He is a winner of a scholarship at a New York conservatory of music and will continue his studies in the fall. Nyssa people appreciated the opportunity to hear him and others who took part in the recital.

Miss Vorhies will be glad to discuss violin class work with parents who are interested.

HOMESTEADERS GET TWO YEARS MORE FOR FINAL PROOF

Fred J. Palmer, of the Nyssa Realty company, has received word from Congressman Scott Leavitt of Montana that the homestead law, extending the time for final proof for a period of two years, has been passed by both houses and signed by the president. The law provides that any entryman will be extended an additional two years time in which to make final proof if he can show that drought or adverse business conditions make it a hardship for him to meet the requirements of the homestead law. The extension of time will apply to entrymen who are required to make final proof within the period beginning July 1, 1931, and ending December 31, 1932.

Mr. Palmer believes the act will prove of much benefit to homesteaders in Malheur county, who might otherwise lose their investments.

CHILDREN'S DAY PAGEANT WILL BE GIVEN ON SUNDAY

A Children's Day Pageant, "Gateways of the Bible," will be presented Sunday night at the Methodist community church at 8 o'clock. Pupils of the primary and junior departments will be the participants, fifth and sixth graders in Miss Ella Martin's class taking the leading roles. Leading characters are: Truth, Lucille Thrasher; Love, Luella Leuck; Hope, Flora Newton; Faith, Vivian Higby; Peace, Alta Campbell; Joy, Ruth Flannery; Light, Leona Brooks; Service, Frances Foster; Victory, Hollis DeGroat; Christian woman, Mrs. Arvilla Pauchier.

The Sunday School is also sponsoring an exhibit of unusual bibles for next Sunday, with Mrs. J. T. Long in charge. Anyone who possesses an unusual bible is invited to send it in.

Oregon Trail Program
Oregon Trail Sunday School will give a Children's Day program next Sunday morning at 10:30 o'clock.

HARVEST HANDS PICK PEAS IN APPLE VALLEY

SAN DIEGO PRODUCE COMPANY BEGINS HARVEST OF 100 CARS OF PEAS IN POD; WORK NEAR NYSSA.

Just across the river from Nyssa, in Idaho, ripening in the June sun, lies the first tract of 500 acres of green peas which will be harvested by the San Diego Fruit and Produce company. Many pickers have already set up camp in Apple Valley and harvest of the main crop will get under way about June 10. Warm days will speed the work.

Pickers worked in Apple Valley Monday, but peas were not sufficiently ripened as further picking was postponed until today.

About 600 people will be employed in picking and packing when the main crop is moving. A share of the work will be in Apple Valley. It is reported that the San Diego company will depend on local labor to harvest the crop this season and will not employ any Mexican labor in the fields.

The peas are picked into large hampers which hold 30 pounds of the green peas, for which the pickers will receive 23 cents, with a bonus of 2 cents a hamper. At a packing house in Parma the peas are graded and iced for shipment. They are shipped in the pod to eastern markets, making a delicacy for eastern tables.

The San Diego company is the largest shipper of green peas in the pod in the country. They make a specialty of supplying their customers with green peas every day of the year. In order to do this they grow peas in this section, in other parts of Idaho, Mexico and California. Mexico supplies the winter crop. California the early spring and late fall crops and this region the middle summer crop.

The company planted peas in this section first in 1925. This year's shipment will amount to about 100 cars, it is said. Labor costs in fields and packing sheds will range from \$2500 to \$3000 a day during the main harvest.

APPLE VALLEY INVITES NYSSA TO FREE GAME

The rural league of the Nyssa section is playing a good brand of country baseball, according to Clark Enos of Adrian, who is secretary of the league. Forrest Reed, of the Apple Valley entry, made a second to the statement when he was here Tuesday to invite Nyssa sluggers to play ball with the Apple Valley nine.

Reed arranged for a free game between a pick-up team and Apple Valley at the Apple Valley school house Friday night at 6:30 p. m. Immediately following, there will be an ice cream social for benefit of the Apple Valley nine.

Last Sunday Apple Valley swamped Arcadia 16 to 1. In lead for the pennant, the valley has six wins and one defeat. Line-up: battery, Morris and G. Van Landingham; Polzen, Reed and Stevens, infield; Iams, shortstop; L. Van Landingham, Rogers and Roy Boston, outfield.

Enos gave the standing for the season as follows:

Team	W	L	Pct.
Apple Valley	5	1	.856
Homedale	5	2	.714
Roswell	4	3	.571
Arcadia	4	3	.571
Adrian	3	4	.429
Arcadia	1	6	.143

CHILDREN'S DAY PAGEANT WILL BE GIVEN ON SUNDAY

A Children's Day Pageant, "Gateways of the Bible," will be presented Sunday night at the Methodist community church at 8 o'clock. Pupils of the primary and junior departments will be the participants, fifth and sixth graders in Miss Ella Martin's class taking the leading roles. Leading characters are: Truth, Lucille Thrasher; Love, Luella Leuck; Hope, Flora Newton; Faith, Vivian Higby; Peace, Alta Campbell; Joy, Ruth Flannery; Light, Leona Brooks; Service, Frances Foster; Victory, Hollis DeGroat; Christian woman, Mrs. Arvilla Pauchier.

The Sunday School is also sponsoring an exhibit of unusual bibles for next Sunday, with Mrs. J. T. Long in charge. Anyone who possesses an unusual bible is invited to send it in.

Oregon Trail Program
Oregon Trail Sunday School will give a Children's Day program next Sunday morning at 10:30 o'clock.

Celebration Will Be Held at Dam Sunday, July 17

Launching plans for the dedication of Owyhee Dam, Dr. Elwood Mead, United States commissioner of reclamation, wired Frank T. Morgan, secretary of the Owyhee irrigation district and Nyssa member of the Vale-Owyhee Land Settlement association, that he could be present Sunday, July 17. His acceptance to attend established the third Sunday in July as the date for the memorable event in which all Malheur county, leading men of the state and west will participate.

Mr. Morgan said the settlement association would now proceed with the dedication program. He added that the celebration would be held on top of Owyhee Dam, that addresses would be made by some of the most prominent men of the country, the governors of two states and music will be supplied by municipal bands.

Engineer F. A. Banks and Attorney R. D. Lytle of Vale were here Monday night for a meeting in regard to the event.

ONTARIO PLANS FETE FOR NYSSA

ONTARIO CHAMBER OF COMMERCE WILL ENTERTAIN NYSSA DELEGATION AT DINNER NEXT THURSDAY NIGHT.

Members of the Nyssa Commercial club, their wives and sweethearts are invited to a party, announced C. L. McCoy, president, yesterday.

The Ontario Chamber of Commerce sent the club an invitation to attend a dinner, as guests of the Ontario chamber, at the gymnasium in Ontario next Thursday evening, June 22, at 7 o'clock p. m. J. A. Davenport, of the Ontario club, and Mrs. E. C. Van Petten are in charge.

Among the guests will be officials of the bureau of reclamation who are at work on the Owyhee irrigation project at Nyssa and Owyhee Dam.

The invitation was received with much pleasure in Nyssa and it is expected a large delegation will attend from here.

At the Monday luncheon of the Nyssa club at Schweizer's Cafe members discussed the prices of oil and gasoline in Oregon and Idaho. They stated that sale of gas to Idaho dealers at less cost worked a hardship on Oregon dealers. They requested the secretary to take the matter up with oil companies.

LOST YOUTH IS FOUND AT WORK IN JORDAN VALLEY

Lawrence Austin, 17, of Silver City, Ida., left home ten days ago. His mother became alarmed and notified officers of Owyhee county, Idaho. They began a thorough search for the youth.

Radio brought word of the search to Austin who "had a job" on a Reynolds creek ranch in Jordan Valley. His employer sent word to officers just in time to prevent an airplane flight into the desert, where it was believed some harm had befallen the boy.

Earl Garrity, prosecuting attorney of Owyhee county, said yesterday he was glad the boy was safe but would like to give him "30 days for leaving home without notice and causing his mother and friends much worry."

Terrapin Calls On Chickens At Big Bend Ranch

An unusual visitor came to the poultry yard on the Ray Cartwright ranch in Big Bend, but the chickens did not like his company. Squawking loudly, they attracted Cartwright. He was surprised as the chickens when he saw a live, docile terrapin—born goodness knows where. The turtle-like reptile might be at home on the coast or on the Mississippi but he was foreigner on the Cartwright ranch.

Stranger still, the terrapin had a dab of paint on his shell-like back. He carried 14 scallops on his shell, so is presumed to be 14 years of age.

Mr. Cartwright took the terrapin to Adrian but no one knew from whence he came. Old timers stated that no terrapins had been seen along Snake river before. Cartwright thought he might be someone's pet.

I. O. N. STAGE SECURES PERMIT FOR DAILY BUS

NEW STAGE WILL TAKE SHORT CUT THROUGH JORDAN VALLEY; STOPS AT JORDAN, DANNER, ROME, McDERMITT.

To save from 12 to 25 hours in driving time from Boise to California, the I. O. N. Motor Stages have requested and received a permit from the Idaho public utilities commission to operate a daily stage between Boise, Jordan Valley and Winnemucca. Connections with the railroad will be made at both terminals. The first passenger trip will be made June 15, the stage company announced.

The trip of 274 miles from Boise to Winnemucca will cut from 12 to 25 hours from the time required for travel from Boise to California points via present routes and will save \$11 to \$17 in fare. A report from Caldwell Tuesday said fare from Caldwell to Winnemucca will be \$7.95.

Fourteen regular stops are included on the present route according to the tariff schedule approved by the Idaho public utilities commission. They include Boise, Meridian, Nampa, Caldwell, Wilder, Homedale, Jordan Valley, Danner, Rome, McDermitt, Packard, Rebel Creek, Amos and Winnemucca.

The stage company did not route the trip by way of Parma, Nyssa and Adrian, the route approved for designation by the I. O. N. highway association.

Saturday the first bus to use the line will make a complimentary trip and carry chamber of commerce representatives, newspaper men and business men over the route. The party will go to Winnemucca Saturday, remain there overnight and return Sunday.

Friends of the I. O. N. believe initiation of the stage service will direct attention to the route and result in some improvement either by federal or joint federal and state appropriation.

GERALD JENSEN, STAGE DRIVER, HAS CLOSE CALL

The lives of nine passengers and the driver, Gerald Jensen, son of Mr. and Mrs. Miller of Nyssa, were endangered near Twin Falls Sunday when Jensen's stage ran into a steel bridge across a canal, knocking the 112-foot structure off the abutments. The bus hung perilously on the edge, the forepart submerged in water. The occupants escaped safely.

The east end of the bridge had sprung away from its abutment and was raised about eight inches. When Jensen saw the gap he aimed at the bridge instead of taking chances on running into the stream after he had applied the brakes. Passengers asserted that Jensen chose the proper course.

A temporary bridge has been built and plans are proceeding for the construction of a new steel bridge near the site of the old one which was erected in 1915.

COUNTY STOCKMEN ARE DIRECTORS OF STATE ASSN.

Four stockmen of Malheur county, Lee Strode of Jordan Valley, J. Bank-offer of McDermitt, Tom Logan of Brogan and James N. Jones of Juntura were elected directors of the Oregon Cattle and Horse Raisers' association at the convention in Burns last week. Officers are Herman Oliver, president; W. B. Snyder of Paisley, Wayne Stewart of Dayville, vice-presidents; C. L. Jamieson of Canyon City, secretary-treasurer.

C. L. Answalt of Jordan Valley served on the resolutions committee.

ASSESS LIQUOR FINES

J. B. Bock, former proprietor of the Rosebud poolhall, plead guilty to possession of liquor in the justice court at Vale Monday and was fined \$200. Allen Daggett, of Adrian, who has appeared in court before, received a \$400 fine. Other cases are set for trial this week. E. M. Blodgett, district attorney, reported.

NEWELL BUYS HOUSE

Ted Newell, of the Nyssa Grain company, purchased the George Gloschen house in the east end of town in a deal closed this week. Mr. and Mrs. Newell are moving to their new home from the Kelly Addition.

SECOND BURNS ATTORNEY WILL RUN FOR SENATE

Another Burns attorney H. V. Schmalz desires a seat in the state senate. Monday he announced his independent candidacy for the state senate from the district comprising Malheur, Harney and Grant counties. He will oppose Robert M. Duncan, attorney of Burns, the republican nominee.

Duncan defeated J. D. Billingsley of Ontario by a big lead in Harney and Grant counties in spite of the fact that Billingsley carried his home county of Malheur.

The outcome of the Duncan-Schmalz race will be an event of interest in the general election this fall. Schmalz announcement came as a surprise to Malheur county.

COURT VIEWS WEED CONTROL

JUDGES OF MALHEUR AND BAKER COUNTIES AID FARMERS IN DRIVE AGAINST WHITE TOP.

To view experimental work of Ada county, Ida., agriculturists in white top weed control, Judge David F. Graham of Malheur county, Judge C. E. Baird of Baker county, R. G. Larsen and Phil Fortner, county agents, with a number of farmers drove to Boise Wednesday.

Herschel Davidson, Ada county agent, displayed a 10-acre plot on the O. A. Monteith place near Boise which is devoted entirely to white top since this plant constitutes 99 per cent of the farmers' weed problem.

Various chemicals are under test on 300 rod-square plots, while the tillage system of control devised a year ago is in the experimental stage on an 8-acre tract. The tillage plan is to keep the white top constantly underground in the hope that the roots will eventually rot. If the plant cannot emerge to get the sunshine and air and carry necessary elements to the roots, the weed should die out, Davidson believes.

During the first year of the tillage experiment, the field was plowed every five days. This year tilling every 10 days is keeping the white top underground, leading observers to believe the effort is meeting with success. Davidson believes it will take three years work to wipe out white top by tillage but it will require little cash outlay and will be very beneficial to the farmer with a large infestation of white top if it succeeds.

The more expensive chemical application will probably be most satisfactory on the small plot. Farmers throughout the Snake river valley are urged to war on white top as soon as it appears as it spreads rapidly, is very difficult to eradicate and completely takes irrigable farm land if allowed to spread.

Baker county's delegation and Judge Graham were through Nyssa yesterday when enroute to Boise. Visitors from Baker included E. P. Vorez, L. B. Lindley, Wm. Coffee, Walter Wellman, Mr. Fortner and A. W. Perkins county commissioner.

300 CHICKENS BURN IN NIGHT FIRE AT CAIRO

Fire destroyed the poultry house and about 300 chickens on the J. B. House farm in the Cairo community late Friday night. It is believed the fire started from defective wiring. The blaze was not discovered until too late for control measures. Damage is estimated at several hundred dollars. House carried no insurance.

Nyssa Man Invests In Gold Claims At Goldfield, Nevada

Herman Towne returned Tuesday after the snow is drained off the hill from Goldfield, Nev., where he will associate with Paul G. Savic of Boise and others in the development of the M. S. Thompson group of gold mining claims on the Cactus Range. Savic and his group have secured an option with a bond and lease. The claims are located 22 miles east of Goldfield in Nye county, Nev., and comprise 19 claims with a main shaft sunk to a depth of 200 feet and a tunnel extended 150 feet in the hillside in which samples of ore were cut that ran \$10,000 per ton, according to the Tonopah Times.

The Thompson mine is equipped with a 60 h. p. Fairbanks Morse gas hoist; a 10x12 Chicago pneumatic compressor and No. 7 Cameron pump which the new owners expect to dispense with.

FIVE-LANDING ELEVATOR GOES IN OWYHEE DAM

GENERAL BEGINS CLEAN-UP JOBS WHILE GOVERNMENT OFFICIALS DO EXPERIMENT WORK FOR HOOVER DAM; SURVEYS CONTINUE.

With all mass concrete poured at Owyhee Dam, work that remains is the clean-up jobs which will take the crews of the General Construction company several months. Pouring of Panel 4 at the loading dock is included.

The plug to the tunnel will be placed. The automatic elevator with 290-foot lift will be installed. It will provide transportation to five landings connecting with galleries measuring 2400 linear feet. Stairways and other metal work will be placed.

Lamp posts will be erected along the downstream parapet wall on top of the dam which extends in crest formation 833 feet. Electrical connections will be made. The face of the dam will be cleaned and equipment removed.

After the cableway is dismantled the roadway approach at the northeast end of the dam will be finished and traffic opened across the dam. Cars will be routed up the easy grade on the right hand side of the canyon near the camp.

Words cannot express the beauty of the view from the top of the canyon drive. While the dam is being finished, the government is carrying on considerable experimental work for Hoover dam at Owyhee, as the two structures have many similar characteristics.

Tunnels Progress
Good progress is being made on the distribution tunnels. J. F. Shea company having completed his contracts on Tunnel No. 1 and Tunnel No. 5, 17 months ahead of schedule. T. E. Connolly is placing concrete lining in the inlet half of Tunnel No. 1.

S. S. Magoffin company has little more than one-half mile to excavate in his two- and one-eighth-mile contract on the outlet end of Tunnel No. 5. He is penetrating an area of soft and water-bearing ground with success.

Mitchell Butte Work
The two tunnels being driven by subcontractors for the General Construction company on the North Canal, a part of the Mitchell butte canal system, have been holed through and preparations are being made for concrete lining.

Surveys Continue
Engineer F. A. Banks and his assistants are pushing surveys for the distribution canals and laterals, having crews at Kingman Kolony and Dead Ox Flat this month.

EAGLES LODGE TO ORGANIZE HERE SATURDAY

The Nyssa-Parma chapter of the Eagles Lodge of Oregon will be organized in Nyssa Saturday night, June 11, at the Methodist community church with C. A. De Grace, state organizer, in attendance. It is expected that the new lodge will receive its charter with fully 100 members enrolled. For several months E. F. Burnet and Claud Wilson have been signing up members in this community.

LOCATE ON COAST

After their recent marriage in Burns, Mr. and Mrs. Roy Willoughby spent a few days seeing Portland. They will live in Salem for the present but expect to locate in a coast town soon, word from Willoughby said Tuesday. Willoughby asked that The Journal be sent to his new address, adding that he could not get along "without the news of Nyssa."
