

ELLIOTT LEADS IN RACE FOR NIMROD'S POT

ELLIOTT YOUTH BRINGS IN BIG HEAD; ARCHIE HOWELL BAGS HIS BUCK FROM BED.

The deer with the biggest antlers brought into Nyssa this season is the prize that fell to the quick and accurate aim of Bill Elliott, son of Mr. and Mrs. T. T. Elliott. The antlers have a spread of 49 1/2 inches and to date have the best chance of winning the pot at Powell Service Station. Elliott is among the hunters who have pooled their "bucks" for the biggest antlers.

Elliott shot his deer near Unity. Rex Walters bagged another while the third member of the party, Floyd Elliott, saw only does.

Bags Deer From Bed

Archie Howell doesn't believe in going after deer—he says they come to him. Nor does he agree that Henry Herd of Shea camp brought the first deer of the season into Nyssa. Howell's deer walked into the clearing at the Oregon camp grounds. He shot from his bed. The deer dropped and Howell had venison chops for breakfast. He was home in the afternoon—that's a record.

Bernard Frost got his buck in the North Fork woods. He and Mrs. Frost, with Miss Dorothy and Bob Kayler returned home Sunday.

Roy Pounds and Dave Dugger were waiting in the woods for the dawn and an unwary deer last Tuesday morning. At 8 o'clock Pounds had his deer. Dugger bagged his later. They returned Thursday night.

Chas. Paradis, Ed. Wilson, Guy Bailey and Leslie Sills said they never saw females so numerous. They returned Monday after a week end trip. C. B. Short, Jack Walters and Russell McFarland found the same kind of luck, but they are planning to go again.

Harry Sales was the lucky member of a party including Keith Parkinson and Oee Blaylock. They returned Monday.

Wendell Pogue, Fred Williams and Bill Gibson left for the hills Sunday.

John Sampson of Portland claimed the honor of killing the biggest deer in Oregon last year and he has entered for the honor again. He bagged a mule buck near Blue Mountain springs last week that dressed 345 pounds.

ONTARIO TAKES 2ND HALF TITLE; NEWBILL PITCHES

By defeating the Boise Senators 7 to 5 at Boise Sunday, Ontario won the championship of the second half of the Idaho-Oregon baseball league. Nightengale allowed six hits and struck out 12 men. Charlie Newbill occupied the mound for Boise. He was touched for 10 hits and fanned five.

Newbill did lots of pitching during the season. He hurled for Nyssa in one of the opens, for Nampa, Caldwell and Boise.

Juntura Is More Than Postoffice; It Is Quite A Town, Says Judge

Judge David F. Graham believes in "giving the devil his due." He believes that the Oregonian should be straightened out on Malheur county facts and disagreed with a recent statement that "Juntura is one of the fancy names in the postal directory of Oregon, a post-office, and that is all."

"Well, that's hardly fair," said Judge Graham's letter to the Oregonian, "seeing that the only bank in this vast county is located there and going right along, these days of economic unrest. It has one of the best general merchandise stores in the whole territory, to say nothing of an up-to-date drug store owned by the party mentioned in the item in question, together with a number of other good going business houses; hotels, pool halls, garage, etc."

"The building containing the bank, the mercantile house and the drug store was built from native rock and is the equal of any other building form an artistic standpoint in the whole territory. There is a first-class two-room brick schoolhouse, a Catholic church and a Methodist one; and the town itself is one of the largest livestock shipping centers in the whole state, being the outlet for a great country running clear

SMITH FINDS THAT GOING TO SCHOOL IS NOT TOO SAFE

Even going to school has its dangers, according to Postmaster Dean Smith who attended a night session Tuesday with other business men of the community who have been preparing entertainment for the teachers' homecoming party to-night. One of the classmates gave Smith a push down a bench. Then Smith collided with a grown-up sliver. It was just unfortunate but the sliver found a good foothold in Smith's leg. Dr. J. J. Sarazin removed part of the huge splinter but some operating was required. The wound necessitated four stitches. However, Smith was back to practice last night and will answer roll call with the other scholars at tonight's program.

EUGENE HUNTER SHOT AT UNITY

RICHARD POPE MEETS DEATH ON DEER HUNT; CORONER SAYS SHOT WAS FIRED BY SOME UNKNOWN HUNTER.

Richard Pope, 45, hunter from Eugene who was killed Monday 30 miles southwest of Unity, came to his death from a gunshot wound inflicted by someone other than himself, a coroner's jury decided in Baker Tuesday.

Pope was shot through the back from the rear and the coroner believes his gun was also struck by a bullet. Pope's hunting companions Alfred York of Portland and Randall Carlie of Unity said the gun stock was not shattered when Pope started hunting.

Carlie heard a rifle shot and thinking one of his companions had killed a deer, he went to the vicinity and found the body of Pope. The hunters and a doctor spent the entire night taking the body to a lookout station four miles from the scene of the shooting.

Pope owned a fox farm at Eugene. His widow survives.

BRIGHT LIGHTS IN OREGON

The following record of industrial activity lists items showing investment of capital, employment of labor and business activities and opportunities.

Oregon City—Bids to be opened October 19 for construction of \$115,000 post office.

Juntura—Road from Peach to Juntura nearing completion.

La Grande—New airport to be dedicated October 9.

Canyon City—Rights-of-way for highway through this place secured.

Prairie City—Louie Comini of Dixie Granite Co., will install \$50,000 plant at his granite quarry on Dixie Creek.

Portland—Bids for construction of new highways and bridges, estimated to cost \$700,000, to be opened at meeting of State Highway Commission here, September 28.

Ontario—H. R. Stewart is building new residence, Majestic theatre being modeled, Mrs. Frank Loveland and Mrs. Margaret Schweizer erecting small dwellings.

Nyssa—Bert and Kermit Lienkaemper opened Nyssa Funeral Home.

Vale—Front of L. K. Bullock Garage improved by installation of Neon lights.

Roseburg—Bids received recently for furnishing 130 dormitory beds for Veterans' Home.

GOLFERS CLOSE HANDICAP ENTRY LIST ON SUNDAY

Members of the Nyssa-Parma Golf club who wish to take part in the handicap tournament for the Baldrige trophy are requested to make arrangement with their partner-elect to play on or before Sunday. If they do not turn in their scores by Sunday, they will forfeit their right to play in the final flights. Matchings were made by club directors. Club members of Nyssa will find their selections on a chart at the Nyssa Pharmacy.

Mrs. E. D. Norcott has been ill of influenza the past week.

Piazza and Mendizola are shipping two cars of fat lambs to Omaha today.

Mrs. C. W. Barrett accompanied Mrs. E. C. Van Petten and Mrs. Dave Powers to the Parma festival last week. The ladies enjoyed the floral displays made up by Parma gardeners.

HIGH SCHOOL TUITION LAW FOUND VALID

PAYMENT OF TUITION FEE FROM NON-HIGH SCHOOL DISTRICTS WILL CONTINUE; INTEREST CHARGES NOT COLLECTIBLE.

The operation of the Oregon high school tuition law, which has brought in new funds for Malheur county high school districts and others in the state the past several years, will not be disrupted or affected by the opinion of the Oregon supreme court Tuesday holding one phase of the law unconstitutional.

The opinion held that the tax levied against outside districts can be collected with the exception of the pro-rated charges for interest on school property and investment.

For the reason that local district taxes were concerned, the case originating in Marion county, which challenged the constitutionality of the county high school tuition fund law and sought to enjoin the collection of the special tax levied upon outside property, attracted wide interest here.

The purpose of the law, the opinion held, is to offer high school education to children who reside in a school district not maintaining a high school by permitting them to attend a high school in some other district. Thus the county is divided into high school and non-high school districts for the purpose of tax levies.

The opinion written by Justice H. H. Belt held only that part of the law levying a tax against property of plaintiffs for interest on the valuation of school property unconstitutional. The tuition law thus is operative except that interest cost must be borne entirely by the high school district, not being chargeable against the non-high school district property.

EAGLES LODGE WILL HAVE BIG DANCE; TALK AUXILIARY

The Eagles lodge is planning a fruit harvest ball for next Thursday night, October 6, at the Nyssa gymnasium. The committee in charge will include Bernard Frost, Don Graham and Geo. Schweizer. They want not only the fruit pickers to attend but everyone in the community who enjoys a good dance.

Ross Orchestra of Parma will play and they are adding a new musician to their fine little band for the occasion.

Last night the Eagles held open house, their wives attending. They enjoyed old time dancing and a lunch. Mrs. Roc Shelton and Mrs. Don Graham were appointed to discuss organization of an Eagles auxiliary with prospective members.

SHOP OPERATOR BURNED WHEN APRON BLAZES

Mrs. Thelma Barker, local beauty operator, has learned that rubber aprons are very inflammable. Last Friday the electric hair dryer set fire to her apron and she was burned about the neck and back quite severely. For a moment Mrs. Barker was helpless from fright while others in the shop answered her cry and tore the burning apron from her shoulders.

Mrs. Barker stated that it was worth the burns to know that she was the victim and not a customer. She advises other operators to remove rubberized aprons before the patron is placed under the electric hair dryer.

WALTER PIERCE VISITS

Walter Pierce, Democratic candidate for congressman, who aspires to the position now held by Congressman R. R. Butler, was in the city today in the interest of his campaign. He will speak at the city hall this afternoon.

Nyssa Country Is Harvesting Big Fruit Crop

Warm days, cool nights, whirling autumn leaves—and fruit-loaded trucks tell us that fall is here and winter is just around the corner.

Despite the fact that prices are not as high as growers would wish, excellent crops of prunes are moving to the markets. Sixteen cars have been shipped from Nyssa. An abundance of prunes were sold locally.

Apple picking has begun with large crews employed in Nyssa, Kingman Colony, Arcadia and Apple Valley. C. C. Hunt is arranging to load out the first car this week. Reports of a shortage in the national apple crop is having a stimulating effect on prices, so it is expected that apples will be a paying crop this fall.

WATER CHARGES MAY BE LESS

ENGINEER BANKS BELIEVES GOOD RUN-OFF WILL ASSURE OWYHEE DISTRICTS ALL POWER NEEDS.

Water users within the pumping districts under the Owyhee irrigation project heard Engineer F. A. Banks make an encouraging report of water prospects at less cost for the irrigation season of 1933 at a meeting of the Kingman Colony, Short Line, Payette-Oregon Slope, Ontario-Nyssa, Crystal, Slide and Owyhee irrigation districts last Friday afternoon in Ontario.

By reason of the fact that power from the government-owned Black Canyon project in Idaho was diverted to supply pumping districts under the Owyhee this year, the cost of pumping was decreased about \$25,000 for all users. The plan was first proposed by Frank T. Morgan, secretary of the Owyhee district, and Mr. Banks is given credit for its successful culmination.

Mr. Banks stated Friday that a good run-off next spring, like that of last year, would provide sufficient power at the government plant for all districts under the Owyhee and would reduce pumping costs materially. This year there was not sufficient power for the requirements.

Further plans will be made Friday afternoon at a second meeting with Mr. Banks, when the following district representatives will confer with him, Frank T. Morgan, Kingman Colony; Maurice Judd, Short Line Ditch; P. M. Boals, Payette-Oregon Slope; Lem Wilson, Ontario-Nyssa; R. Gribben, Slide; R. Wilcox, Crystal.

OREGON TRAIL HOOP CHAMPS OPEN SEASON

Albert Hopkins, Oregon Trail teacher, has another fast and snappy basketball aggregation in spite of the fact that he lost last year's letterman Christian Van Zelf. Friday his first and second teams triumphed Valley View. His second team defeated Wade.

First string men are John Van Zelf, captain and center; Paul Johnston and Paul Maples, newcomers in the community, forwards; Leo Land, Nicholas Van Zelf, guards; second string Gilbert Holmes center and captain; Wilson Keck, Barclay Wilson, forwards; Jack McKee, Billie Wilson, guards.

The boys practice long and hard after school hours on their open air court. Hopkins school has an enrollment of 32 students, with 16 in each room. The school board includes A. H. Keck, Franklin Fry and Lloyd Adams, directors; Mrs. Fry, clerk.

W. C. T. U. WILL BATTLE TO SAVE 18TH AMENDMENT

Opposing the movement for repeal of the 18th amendment, the W. C. T. U. has geared for battle. At two county meetings during the week, presided over by Mrs. C. E. Bingham, president, chairmen were appointed to carry the battle into all communities of Malheur county. R. E. Close, president of the state anti-saloon league, will assist.

The following local chairmen were appointed: Mrs. Bingham, Rev. L. D. Meggers, Ontario; Mrs. J. H. Russell, Rev. John E. Garver, Vale; Mrs. L. A. Higby, Rev. Floyd White, Nyssa; Rev. Crandall, Harper; H. W. Sumner, Park; Mrs. Sue Freiz, Juntura; A. A. Reed, Brogan. Campaign plans were discussed with Miss Mary Ervin, national secretary. At her school meeting in Ontario last Thursday night, the Ontario school won the \$5 attendance prize.

Nyssa W. C. T. U. will meet Tuesday at the home of Mrs. Dave Hawkins. Cars will leave from the church at 2 p. m.

J. A. Davenport, manager of the Malheur Home Telephone company, spent Tuesday in Nyssa.

KINGMAN KOLONY BOYS WIN 5TH AT STATE FAIR

LOCAL STOCK JUDGING TEAM IS FIRST TO REPRESENT MALHEUR COUNTY AT OREGON FAIR; HICKOX SHOWS COUNTY PRODUCTS.

The 4-H stock judging team of Kingman Kolony made a creditable showing at the Oregon State fair, scoring highest among entries from eastern Oregon and fifth for the entire state. The club scored 2040 points, Polk county, winner of the blue ribbon, 2095 points. Only western Oregon teams that have appeared at the state fair at past shows, placed higher than the Kingman Kolony entry.

Russell McKennon, county club leader, stated that he is very proud of the showing made by the local boys. The team consisted of Leonard Nichols, Arnold Slippy, Bob Winters, James Nichols, alternate, also accompanied the party. They returned from Salem late Wednesday night.

Lloyd Melcher of Oregon Slope 4-H club placed second on corn, Leonard Nichols, third. Other winnings have not yet been reported for Malheur county.

V. V. Hickox is in charge of a Malheur county crop display at the state fair, this county being among the eleven that are represented. The display features corn, potatoes, melons, sweet potatoes, onions and apples. The potatoes come from the Hirsch tract near Nyssa, apples from the John Lienhard place, melons from the Greig and Orr and Hans Off tracts, onions from Joe Watanabe's, corn from the Charlie Purdy farm in Big Bend and the John Stoneman place near Ontario.

NYSSA GUILD PLANS RALLY ELECTION DAY

Election day, November 8, will be a big, old-fashioned rally day in Nyssa if plans of St. Paul's Episcopal Guild materialize. National, state, county and city election returns will be received by radio at the D. and A. room in Wilson Brothers building. Arrangements will be made to get the returns as soon as votes are counted. Besides broadcasting election results, the ladies will serve a light lunch at their open house throughout the afternoon and evening. Republican and Democratic money will be welcome as the event is a Guild benefit. An Afghan will be raffled.

Plans for the event were made at the first fall meeting of the Guild yesterday at the Parish house, with Mrs. C. C. Hunt and Mrs. A. V. Cook, hostesses.

ANDY HITS THE NAIL

It is cheering, indeed, to observe that an occasional ray of light sifts through the political dust clouds that enshroud American voters even though we must look to Andy Gump, who says:

A politician is one who expects his country to do something for him. A statesman is a man who expects to do something for his country. Andy deserves a place in our school text-books.

Attorney R. D. Lytle was here today from the county seat.

Advertising is an invitation. Buy from those who invite your business.

CONGRESSMAN CALLS ON CLUB WHILE IN CITY

Congressman R. R. Butler arrived in Nyssa Monday to renew the acquaintance of friends and voters here. He is a candidate for reelection to congress from the second Oregon district and was on a campaign tour. He expressed his confidence in the workings of the Reconstruction Finance corporation, stating that it will tide farmers, livestock men and business over. He believes economic recovery is well on its way.

Congressman Butler likes to meet voters, and incidentally the women voters. While here he made the acquaintance of members of Monday bridge club which was in session that afternoon at the home of Mrs. Farnham Sills.

Don M. Graham, secretary of the Republican Central committee, accompanied Mr. Butler around the city.

SCHOOL GIRL BREAKS ARM

HILDRETH McDUFFY HURT; MRS. HOLMES SUFFERS SERIOUS INJURY; TRANSIENT THIRD VICTIM.

Accidents caused several serious injuries to residents of this community during the week.

Hildreth, 10-year-old daughter of Mr. and Mrs. C. M. McDuffy, fell from one of the rings while playing at school Monday and fractured her arm just above the wrist.

While washing Monday, Mrs. Dick Holmes caught her left hand in the electric ringer. Before she could stop the machine, her hand was crushed by the rollers. The skin was torn and the flesh and bones were badly bruised.

George Dement, former workman on the Owyhee project who recently returned to Nyssa from Las Vegas, fractured his leg when he slipped and fell between two boards.

Dr. J. J. Sarazin was the attending physician.

BIG GAME COMING

Coach John Young is putting his boys through the paces for the first home game of the season Friday, October 7, with the big burley eleven from Baker. If the boys make a good showing Plymouth Friday, he believes they will in their first conference game with New have a fair break with Baker in spite of the fact that the visiting team will represent one of the largest schools in eastern Oregon.

YANKEES BEAT CUBS

Nyssa listened in on the opening game of the world series yesterday when the New York Yankees downed the Chicago Cubs 12 to 6, the highest scoring world series game in eleven years. Lou Gehrig was the hero of the Yankees when he pounded out a homer with Babe Ruth on first base. Jess Thompson and Sid Burbridge took the money here.

Oregon Faces Heavy Highway Loss If \$3 Fee Is Adopted, Scott Says

If Oregon automobile license fees are cut to \$3 there will be a \$1,137,000 net decrease in state highway funds, even with a 1-cent increase in the gasoline tax, states Leslie M. Scott, highway commission chairman.

If license fees are cut to \$5 there will be a net revenue decrease of \$859,000, even with the 1-cent gasoline tax increase, he said.

If license fees are cut one-half there will be a net revenue decrease of \$77,000 yearly, even with the gasoline tax increase, he continued.

One Plan Would Bring Gain

Of all the proposals to cut license costs and increase the gasoline tax, but one will bring in additional revenue, said Chairman Scott. That is the one proposing a one-third cut in license costs with a 1-cent gasoline tax boost. This would result in a \$415,000 net increase in the annual highway fund, he said.

Taking up the various schemes one by one, Chairman Scott asserted that motor license fees to the highway department, which were \$2,500,000 during the current year will be \$2,515,000 under the one-third cut plan or a decrease of \$985,000; \$2,023,000 under the one-half cut plan, or a decrease of \$1,447,000;

FIRST NATIONAL CHAIN PLANS TO REOPEN 9 BANKS

NEW INVESTORS WILL BE REQUESTED TO TAKE \$300,000 CAPITAL STOCK; DEPOSITORS ASSURED 100 CENTS ON DOLLAR.

A final plan for the reopening of the First National Bank of Idaho and its nine affiliates, the Ontario and Vale National banks in Malheur county among them, was announced Monday from the parent bank in Boise. It assures depositors 100 cents on the dollar when necessary readjustments in the capital stock are made.

The proposal provides for the elimination of all frozen assets through the Reconstruction Finance Corporation and the sale of the bank's capital stock to the amount of \$600,000. One-half of this \$600,000 has already been subscribed for by stockholders in the old institution and the reorganization committee stated Tuesday that it has also secured another \$75,000 in tentative subscriptions.

Today's development was the opening of the sale of \$300,000 in stocks. Safety is assured, the committee said, because of the removal of all doubtful assets, lowered operating costs and the "freezing" of the larger deposits which cannot be removed for stipulated periods of time.

The plan calls for an agreement on the part of depositors whose accounts exceed \$200 to accept 25 per cent on the resumption of business, 25 per cent on or before July 1, 1933, 25 per cent on or before January 1, 1934, and 25 per cent on or before November 1934, with 3 per cent interest from the time of reopening. All accounts less than \$200 are to be subject to immediate withdrawals at any time after the reopening.

NYSSA GRIDDERS TRIM VALE 7-0

Nyssa high school gridgers defeated Vale High by a score of 7 to 0 in the first game of the season on the Vale gridiron Friday.

Nyssa threatened to score during the first quarter and succeeded in the second quarter when McEwen smashed over right tackle for a touchdown. Schweizer place kicked for the point.

McEwen sustained a minor injury to his shoulder during the fracas but is recovering.

The officials were: Huggins, referee; Shurtliff, umpire; Greeling, head linesman.

The Nyssa gridsters invade Idaho next week for their first conference game at New Plymouth.

YANKEES BEAT CUBS

Nyssa listened in on the opening game of the world series yesterday when the New York Yankees downed the Chicago Cubs 12 to 6, the highest scoring world series game in eleven years. Lou Gehrig was the hero of the Yankees when he pounded out a homer with Babe Ruth on first base. Jess Thompson and Sid Burbridge took the money here.

Lou Gehrig was the hero of the Yankees when he pounded out a homer with Babe Ruth on first base. Jess Thompson and Sid Burbridge took the money here.

Loss to Counties Shown

If the one-third cut license scheme were adopted there would be but \$1,208,000 available to counties, a decrease of \$492,000, he said.

If the one-half cut license scheme were adopted there would be but \$961,000 available to counties, a decrease of \$738,000.

If the \$5 license plan were adopted there would be but \$570,000 available to counties, a decrease of \$1,129,000.

If the \$3 license plan were adopted there would be but \$431,000 available to counties, a decrease of \$1,689,000, Chairman Scott asserted.

The 1-cent gas tax increase would bring in \$1,400,000 year, he said. At present there is a 4-cent tax per gallon. Chairman Scott's talk was based upon figures prepared by engineers in the state highway department who had made an analysis of the schemes proposed, he said.

Its Apple Picking Time in the Nyssa Country
