Aches and PAINS

When you take Bayer Aspirin you are sure of two things. It's sure relief, and it's harmless. Those tablets with the Bayer cross do not hurt the heart. Take them whenever you suffer from:

Headaches Neuralgia
Rheumatism Lumbago
Neuritis Toothache

When your head aches—from any cause—when a cold has settled in your joints, or you feel those deep-down pains of rheumatism, sciatica, or lumbago, take Bayer Aspirin and get real relief. If the package says Bayer, it's genuine. And genuine Bayer Aspirin is safe.

Aspirin is the trade-mark of Bayer manufacture of monoacetic acid ester of salicylic acid.
