

### Auxiliary Plans Card Party 20th Two Couples Wed

Social interest is centering around the benefit bridge party which will be given Thursday night, October 20, by the Nyssa Auxiliary at the Eagles lodge hall. Mrs. Donald M. Graham, general chairman, has appointed numerous committees which are proceeding with arrangements. An invitation has been extended to the Ontario Auxiliary and to Vale. The public is invited. A charge of 25 cents will be made which will include the luncheon at the close. Tab-

les will be arranged for bridge, pinochle, and 500.

**WILLIAMS-WIMP**  
Another surprise wedding of interest to this community was solemnized in Baker last Saturday when Mrs. Bertha Williams became the bride of Eugene Williams, employe at Magoffin tunnel camp on the Owyhee project. The bride is the oldest daughter of Mr. and Mrs. E. A. Wimp of Nyssa. She is a senior in Nyssa high school and plans to complete the term.

**FIELDS-NEWBY**  
Miss Janey Newby of Nyssa and Ashford Fields of Big Bend were the principals of a quiet wedding solemnized in Caldwell last Saturday. The bride is one of the younger daughters of Mr.

and Mrs. Robert Newby of Nyssa. The groom is the son of Mr. and Mrs. Arthur Fields who live near Parma. For the present Mr. and Mrs. Fields are making their home at the Fields ranch.

**TUESDAY BRIDGE**  
Tuesday evening bridge club met with Mrs. Howard J. Larsen with three tables in play. Mrs. Artie Robertson won first prize. Mrs. Arthur Boydell, second. Mrs. C. S. Hale and Mrs. J. Boydell substituted for absent members.

**COLUMBUS DAY PROGRAM**  
At the regular meeting of St. Paul's Guild Wednesday, the program paid tribute to Columbus day. Lunch was served for twelve guests by the hostesses, Mrs. Artie Robertson, Mrs. Sidney Burbridge and Mrs. Dewey Ray.

**HONORING BRIDE-TO-BE**  
Last Friday afternoon Mrs. Emma Duncan and Mrs. Mary Felton entertained the Rebekah Sunshine club with a party at the lodge hall. Guests tied a quilt for Miss Marie Hunter, bride-to-be. At the close of a pleasant afternoon, the hostesses served refreshments for thirty.

**ONTARIO MUSIC CLUB**  
Parma, Nyssa and Ontario ladies were entertained Saturday in Ontario at the first fall meeting of the Ontario Music club at the home of Mrs. E. C. Van Petten. A covered luncheon was served at one-thirty o'clock. Then followed a delightful afternoon of music and reviews with Mrs. W. J. Pinney, club president, mistress of ceremonies. Several guests were invited to join the club for the ensuing year. Attending from Parma were Mrs. Wm. Wiseman, member of the club, and Mrs. T. McParlin Gough, from Nyssa. Mrs. C. L. McCoy and Mrs. W. F. McLaughlin.

### NYSSA FLOUR MILL SEES BRISK FALL

Farmers from all parts of the country are bringing their grain to the Nyssa Flour Mill where it is being ground into flour, feed or whole wheat cereal. Philn Warren, owner, reports fall business brisk. He advises that he has sold close to 1000 sacks of Health Cereal, a Nyssa mill breakfast food.

The mill is the only one in Malheur county and has been in operation since war days.

# 2.5% INCREASE In Instruction Costs!

Will Result if the Proposed Zorn-Macpherson School "Juggling" Bill is Allowed to Pass!

The costly experience of 18 States, which have combined institutions, should be heeded by the people of Oregon in considering the so-called consolidation measure, which actually is only a costly and unneeded expansion, establishing 4 NEW schools and creating 2 NEW types of schools at taxpayers' expense.

The following graph, which is compiled from the authentic figures of the United States Office of Education for the school year 1931-32, will enable every taxpayer to prevent this increase in instruction cost, resulting from an experiment proposed by unknown interests.

## IS THIS ECONOMY?

Category	Cost per Student
Oregon	\$351.95
Separate Schools	\$395.84
Combined Schools	\$442.30

FIGURE (A) represents the present average low cost of instruction per student in Oregon. This cost is being continually reduced as a result of a unified system of instruction and management, which is now being operated at an annual saving of \$200,000 compared with previous costs.

FIGURE (B) represents the average instruction cost per student in the 17 States having separate institutions.

FIGURE (C) represents the average instruction cost per student in the 18 States which have combined institutions.

IF OREGON is forced to combine the University of Oregon with the Oregon State College, there would be an increase in instructional costs of \$90.00 each year per student, or over \$440,000 ADDITIONAL INSTRUCTION costs for a combined student body.

**vote 317 X No** Zorn-Macpherson School Juggling Bill establishing 4 NEW schools — creating 2 NEW types of schools.

# FLU.....

Never has there been coined such a word which at once describes suffering, woe and expense. In 1918, 1919 and 1929 it was burned upon our memories with a heavy toll of sickness and death. In 1929—The FLU emerged from its hiding place on the Pacific coast and swept eastward. In 1931—We find it emerging from its lair on the Atlantic coast and coming back.

FALL 1932—Finds it starting earlier than usual—warm days and cool nights are conducive to another epidemic.

### McCORMICKS OPEN QUICKSILVER MINE NEAR McDERMITT

McDermitt—A dinner celebration was given at the McCormick Quicksilver mine last Sunday when the first flask of quicksilver was filled and sealed. Mrs. Ellie McCormick was first to lift and test the flask. The guests for the day were Mr. and Mrs. J. E. Ward, Mr. and Mrs. Chalmers McCormick, Mr. and Mrs. Ellis McCormick, Mr. and Mrs. Kenneth Cogburn, Donald McCormick, Buzz Atel, Jack Dormody and Mrs. Archie Myers.

John Laca of Lovelock, Nevada is spending a few days at the Mitchell Coteoga ranch. Mr. Laca recently returned from a trip to Hellman, Mo.

Frank Smith of Ontario was a guest at The OreVada Hotel this past week. Mrs. Warren Haugh was called to McDermitt by Mrs. Wm. Minor on account of the burglarizing of the home here owned by Dr. and Mrs. Haugh. It seems Mrs. Minor noticed a hole had been made in the door making it possible to open the latch on the inside. Many valuable things were found missing among them an army revolver, a typewriter and a microscope. Dr. and Mrs. Haugh have been making their home for the past several months at Oakland, California.

News of the arrival of a baby girl born to Mr. and Mrs. Rosio Echave was received here recently.

### FAMOUS GOLFERS

David, who made a hole in one. Magellan, who went around in 1521. Sampson, who couldn't break away from the links.

Queen Elizabeth, who was always in the ruff. Samuel Adams, who staged the Boston tea party.

Daniel Boone, who shot birdies in the American open.

Sapphira, Annias' wife, who tried to improve her husband's lie.

### ST. PAUL'S EPISCOPAL CHURCH

### Where Does She Get Her "Pep?"

**SHE** doesn't look seventy. Nor feel that old. The woman who stimulates her organs can have energy that women half her age will envy!

At middle-age your vital organs begin to slow down. You may not be sick, simply sluggish. But why endure a condition of half-health when there's a stimulant that will stir a stagnant system to new life and energy in a week's time?

This remarkable stimulant is perfectly harmless. It is, in fact, a family doctor's prescription. So, if you're tired of trying every patent medicine that comes along, tell the druggist you want a bottle of Dr. Caldwell's syrup pepsin. Take a bit of this delicious syrup every day or so, until you know by the way you feel that your lazy liver is again active, and your bowels are poison-free.

Men, women, and children who are run-down, who tire easily, get bilious spells or have frequent headaches, are soon straightened out when they get this prescriptive preparation of pure pepsin, active senna, and fresh laxative herbs. (Syrup pepsin is all the help the bowels need, and you do not form the very bad habit of always taking cathartics.)

Keep a bottle of Dr. Caldwell's syrup pepsin in the house, and take a stimulating spoonful every now and then. It is all that a great many people ever take to keep strong and vigorous, and absolutely free from constipation.

Dear Madam:

Fifty years ago every home manager used to weave cloth, make soap and bake the family bread. Nowadays you turn such tasks over to people who make a business of doing these things.

In our modern laundry we make a BUSINESS of wash day. We wash more clothes each month than your laundress could wash in a century of scrubbing. What's more, we keep pace with progress. Each season brings new fabrics, new colors, that must be given careful, scientific study to make sure that each receives the washing process best suited to it.

To make certain we are always up to date—the Laundryowners National Association has a Research Fellowship at the Mellon Institute, and a Proving Station at the American Institute of Laundering. That's where they take the theory—the guess and gamble—out of this business.

So it really isn't surprising that clothes washed OUR WAY last longer.

Give our service a practical trial this week. A telephone call will bring our representative.

Yours for Freedom,  
RAIN WATER JONES.
