EDITORIAL

From the beginning of the school year the aisles in the study hall have looked as if someone had been showering confetti around the room. Isn't it just as easy to walk the short distance to the wastepaper basket as to throw the small scraps of paper on the floor? It has to be picked up sooner or later

anyhow, so why not keep it off the floor in the first place?

Think what a much nicer place it would be to study in if you could glance around the room and not see a single piece of paper in the aisle or under the desks.

This wouldn't be a hard task for anyone if the whole high school would cooperate and keep every room in the building free of paper and other things that litter up a school room.

Hereafter let's think and put our waste paper where it belongs instead of dropping it on the floor or stuffing it in a desk for someone else to accidentally pull out with a book and knock on the floor.

No one likes to do someone else's work so if you don't make work for

the other students they won't make extra work for you.

YELL LEADERS NAMED

A pep rally was held in the gymnasium Thursday with the new pep leaders taking charge. Earl Marshall and Keith Parkinson were selected by the faculty to lead the students in the yells this year.

LIBRARY MEETING

A library meeting was held October 11, to discuss the rules and regulations of the library. These rules were adopted: (1) No student is to draw more than one book at a time; (2) Students having overdue books are not to draw any other books until said book is returned and a fine of one cent a day paid. Other topics discussed were reserved books, method of checking encyclopedias and order in the library. All librarians have assumed the responsibility of enforcing these rules.—Mary Munsterman.
