ROLL CALL OPENS ARMISTICE DAY WITH J. A. DAVENPORT IN CHARGE IN COUNTY; RED CROSS SENDS MANY SUPPLIES HERE.

Nyssa. Ontario and Vale units of the Malheur County Chapter of Red Cross are making enthusiastic preparations for the annual Roll Call for member-

ember 11-24. The county quota is \$500, stated Miss Maria Wilson, Red Cross director who was in Nyssa Tuesday. J. A. Davenprt of Ontario has been appointed county chairman of the call.

He in turn has appointed Mrs. Wm. IS LEAVING SOON Schireman director for the Nyssa unit. Miss Wilson stated that 50 cents of the \$1 membership fee remains in the home chapter while the other 50 cents goes to the national Red Cross.

Mrs. Dick Tensen, chairman of the Nyssa unit, believes that this county has fared well and received many times over its contributions in return for the needy. Malheur county has received 565 home people and transients who have five years and a host of friends will re-

COOK FINDS RED DOZEN WHEN HE CHECKS TRAMPS

When a brakeman arrived in Nyssa on a freight train last Thursday, he was looking for the chief of police. He had purchased a pair of gloves at the invitation of a passenger who was riding an open air pullman with eleven comrades, each of whom had a bundle.

Upon arriving in Nyssa, the brakeman looked up Marshal A. V. Cook, stating that he believed the men might be the ones who had robbed a box car near Boise last week. He believed the gloves might be stolen loot.

Cook lined up the round dozen. He went through their bundles and through their clothes. Nor was the search fruitless. Each man carried a "red" calling card, red in color and red in portent, signifying paid up membership in the I. W. W.

Cook was not sorry to see the viistors take the next freight out.

HAY GROWERS FIND \$5 UNIFORM PRICE:

Numerous hay buyers have been looking over the bountiful crop in the Nyssa country during the past few weeks and several purchases have been reported at "the market

It now seems a settled question that good hay will sell at the low figure of \$5 per ton this fall. Last year the average price was \$7.50 a ton and wool was selling for 8 cents. The price of wool this fall. has almost doubled, thus permitting

tne sheepmen a better margin. Practically no hay was carried over this year. On account of the shortage in the early spring, stockmen even resorted to hauling grain and corn long distances,

It is expected that hay sales will nence in earnest after November 15, when loans to the feeders through the regional agricultural credit corporation will be available.
