### BONFIRE PEP RALLY

As is the custom every year, the Freshmen plan to build a huge sage-

brush bonfire on the gridiron tonight and stage a pep rally to herald the Ontario-Nyssa football game Friday. All of the high school is expected to take part, except the members of the team. The students will serpentine through the streets, lead by their yell leaders.

Tuesday the Freshmen held a class meeting for the purpose of making plans for the bonfire.—V. M.

Students rejoiced when it was announced that they would have no school on Armistice Day, a legal holiday.

and county, even city, elections were taken the forepart of the week. Roosevelt came out the winner with President Hoover second in all of the votes. The civic class discussed the thirteen measures on the ballot.

The Freshmen in Mr. Young's science class gave political speeches three days. From all reports the Freshmen are finding out how much they "don't know" about politics, said Vera McConnell, Freshman reporter.

A majority of the football squad, with their coaches John Young and Owen Price, attended the Community Church services Sunday at the invitation of Rev. Floyd White. The sermon centered around football.

Exams will be given a week early this period because of Thanksgiving vacation.

A number of high school students took part in the operetta given at the Community church last Friday night. Those who attended report it very successful.

Mrs. R. L. Haworth's biology class read their essays on local birds, telling about their habits, nesting, plumage, etc. Mrs. Haworth found the essays very good.

### THE BIG GAME

Friday not only brings the football season to a close but brings the most important game of the season, the annual battle with Ontario high. Although attendance in the past has been good, it could be better. As a rule, more townspeople attend than students which should not be the case. This Friday, let's turn out 100 per cent and show the public there is a lively student body at Nyssa high. Whether we win or lose, it will be a good game and we will get our money's worth.—D.B.

### JOKES

Mrs. Haworth—Ezra can you tell me one of the uses of cowhide?  
 Ezra B.—Er, yes nom. It keeps the cow together.—L. Hite.

Mr. Young—Why are the days longer in summer?  
 Earl P.—Because the heat expands them.

### IRONSIDE GETS SNOW AND RAIN

Ironside—Ironside has had several fine rains the last week. Before the rain the hills were covered with snow for several days.

E. J. and Arthur Beam families went to Unity Sunday where they helped Ralph Beam dress a bunch of turkeys for the market.

John Molthan, Wayne and Richard Lofton of Weiser Institute and Cecil Hill from Fruitland were home last week end.

Mr. and Mrs. Floyd White made a trip to Ontario Friday.

Gene and Lou Pratt brought 40 head of cattle in Hereford.

Mrs. Omar Presley and Miss Ethel Miller were shopping in valley towns Saturday.

### NEW SHOOTING GALLERY

Jack Reed opened a new shooting gallery in the Swan Building Saturday. At the close of a well patronized tournament, Marshal Art Cook came out the winner with a Thanksgiving turkey to his credit. Poultry and cash prizes will be offered each week.
