

Mrs. Stam Takes Civic Club On Trip to Holland

With Mrs. Garrit Stam, the Nyssa Civic club made a picture trip to Holland at the November meeting Wednesday at the Parish hall. Mrs. Stam and her husband returned recently from an entire summer spent in their native land. Upon arriving in Holland, they first mastered the art of bicycling. On their wheels, they went to the Queen's palace, to the museum in Amsterdam and to numerous other places of interest. Mrs. Stam displayed pictures, china and souvenirs gathered on her trip. She told of a visit with all her people and with Wm. Tensen, brother of Mayor Dick Tensen of Nyssa and formerly a resident of this community.

Another delightful number on the

program presented by Mrs. C. C. Hunt's division was a playlet, "Uncle John and Aunt Mary," given by Mrs. C. Klimberg, Mrs. Fred Marshall, Mrs. Mayrit Oresling and Mrs. Dick Tensen. Jeanette Gilmore sang. At the close a silver tea was served for the benefit of the city library fund. Mrs. Betty LaFrenz was hostess chairman. In spite of the rain, a good sized crowd attended.

MONDAY BRIDGE

Monday bridge club met with Mrs. Howard J. Larsen this week when eight guests were entertained with dessert and cards. Two new members Mrs. Dick Adams and Mrs. Ray Emmott were among the guests, also Mrs. C. S. Hale. Mrs. Hale and Mrs. Eddie Powell won favors.

DANCING PARTY

Miss Tiena Tensen spent the week end with Miss Betty Schlapkohl in Ontario and was a guest at the Armistice night dance given for students of On-

tario high school by Mr. and Mrs. F. B. Schlapkohl, Mr. and Mrs. F. A. Banks, formerly of Nyssa, Mr. and Mrs. R. W. Jones, Mr. and Mrs. Wm. Walker, Mr. and Mrs. G. K. Alken, Mr. and Mrs. Hal Wallington and Mr. and Mrs. H. Clement. The dance was held at the gymnasium. Miss Tensen reports a delightful party, well attended by the young folks.

ATTEND LEGION BANQUET

C. L. McCoy and Donald M. Graham, of the Nyssa Legion Post, with their wives attended the banquet given on Armistice night by the Ontario Post at the Moore hotel. A turkey dinner was served at seven o'clock, with R. G. Larson of Ontario presiding as master of ceremonies. Mrs. McCoy sang two war songs which scored a hit. She was accompanied by Miss Conway. Estes L. Morton, who was here from Wasco, also attended the banquet.

TUESDAY BRIDGE

Not on the regular night but on Thursday, Mrs. Artie Robertson entertained members of Tuesday evening bridge club. Guests made up three tables. Mrs. Ray Emmott substituting for an absent member. Mrs. Dewey Ray won first prize, Mrs. Arthur H. Boydell, second. Lunch was served at the close.

BIRTHDAY PARTY

Nellie Jean Schweizer had a birthday party Tuesday after study hours in her school room, all of her classmates enjoying the event.

IOWA HAIL STORM LIKE OLD TIMES, SAYS MRS. BERTSCH

Mrs. George Bertsch returned home last week after an eventful summer spent with relatives at her old home in Centerville, Iowa, and in other cities of the middle west.

It was also like old times to see an Iowa hail storm on July 6, when hail stones looked like eggs and fell so thick and fast they wiped out fields, said Mrs. Bertsch. The storm followed dry, hot weather. A few days later a cyclone struck the Sioux Falls section and swept small buildings in its path.

Mrs. Bertsch was home for the first time in 16 years. She visited an old churchyard cemetery where several relatives are buried. She saw old school friends whom she had not seen for 30 years. Relatives took her to Des Moines, to Brookings, S. D., Big Stone Lake, a beautiful summer resort, to Vienna and other cities. In Denver, Mrs. Bertsch visited other relatives. On return she stopped in Boise and Caldwell, where her daughter Mrs. Patterson resides.

WHAT SHALL WE TALK ABOUT?

Now that Election's over, What shall we talk about? Prohibition is "passe" That's true, without a doubt. Al Capone's forgotten. "Amy" sure is quiet. "Tusko" seems contented Never starts a riot. We're used to Hollywood divorce For they outnumber Reno. Pheasant season's over That is, as far as we know. Walker's gone to India. Curtis paid his fine ? ? ? Depression sure is losing out Might as well resign. You aren't a criminal any more When you have beer at home Unless of course, you're selfish And drink it all alone. There's a topic never fails us, tho' When'er we get together No matter where we are, by gosh We can talk about the weather! —Leila L. Oxman, Ontario.

Mother of 7—Still Young

THE woman who gives her organs the right stimulant need not worry about growing old. Her system doesn't stagnate; her face doesn't age. She has the health and "pep" that come from a lively liver and strong, active bowels. When you're sluggish and the system needs help, don't take a lot of "patent medicines." There's a famous doctor's prescription for just such cases, and every druggist keeps this standard preparation. It is made from fresh laxative herbs, active senna, and pure pepsin. Just ask for Dr. Caldwell's syrup pepsin. Take a little every day or so, until every organ in your body feels the big improvement. The next time you have a bilious headache, or feel all bound-up, take this delicious syrup instead of the usual cathartic. You'll be rid of all that poisonous waste, and you haven't weakened the bowels. You'll have a better appetite, and feel better in every way. The constant use of cathartics is often the cause of a sallow complexion and lines in the face. And so unnecessary! Would you like to break yourself of the cathartic habit? At the same time building health and vigor that protects you from frequent sick spells, headaches, and colds? Get a big bottle of Dr. Caldwell's syrup pepsin today. Use often enough to avoid those attacks of constipation. When you feel weak and run-down or a coated tongue or bad breath warns you the bowels need to be stimulated. Give it to children instead of strong laxatives that sap their strength. It isn't expensive.

EAGLE FLIES INTO CAR AT RIVERSIDE

It's not so surprising to have a pheasant land in your lap while motoring along the highway, but Clyde Anderson had the unique experience of capturing a golden eagle in that manner while driving through the Malheur river canyon west of Riverside in the railroad motor car. The eagle flew into an open window in the cab and struck the machinery of the motor, bruising its right wing and one foot.

Anderson, the engineer on the Burns branch motor car, captured the eagle and took it to Ontario where he gave it to Lucien Cunningham. After a meal

of hamburger, the bird revived. Its wing spread is over six feet.
