Stronger Than He Was at Twenty

FIFTY-FIVE years old, and still going strong!

Do you want the secret of such vitality? It isn't what you eat, or any tonic you take. It's something anyone can do—something you can start today and see results in a week! All you do is give your vital organs the right stimulant.

A famous doctor discovered the way to stimulate a sluggish system to new energy. It brings fresh vigor to every organ. Being a physician's prescription, it's quite harmless. Tell your druggist you want a bottle of Dr. Caldwell's syrup pepsin. Get the benefit of its fresh laxative herbs, active senna, and that pure pepsin. Get that lazy liver to work, those stagnant bowels into action. Get rid of waste matter that is slow

poison so long as it is permitted to remain in the system.

The new energy men and women feel before one bottle of Dr. Caldwell's syrup pepsin has been used up is proof of how much the system needs this help.

Get a bottle of this delicious syrup and let it end that constant worry about the condition of the bowels. Spare the children those bilious days that make them miserable. Save your household from the use of cathartics which lead to chronic constipation. And guard against auto-intoxication as you grow older.

Dr. Caldwell's syrup pepsin is such a well known preparation you can get it wherever drugs are sold and it isn't expensive.

Feed Egg Mash

BECAUSE—

The hen lays only as many eggs as she has material for both yolks and whites. Grain alone contains more yolks than whites, while GEM MASH contains more whites than yolks.

Combining the two the hen is furnished material for practically an equal number of yolks and whites and produces ONE THIRD MORE EGGS than when fed grain alone.

MR. AND MRS. THOS. B. REED

"Sargon has brought health, could hardly stand up, and I was strength and happiness to both my wife and me and I would not get a good all the money in the world for the good it has done us," declared Thomas B. Reed, well-to-do farmer and lumberman, residing at 919 Holmes street, Kansas City, Mo.

"Five years ago when on the train going from Bonanza, Canada, to Calgary, I had a severe attack of acute indigestion and nobody thought I would live to reach my destination. When I came to myself I was in the hospital at Calgary.

"Since then I have suffered constantly from bilious attacks and splitting headaches that lasted for days at a time. Everything I ate disagreed with me. I had smothering spells that made me think I would die. I would get so dizzy I

constipated all the time. I was nervous and did not get a good night's sleep for years. Many nights I would get up and sit in a chair for hours.

"Sargon made a well man of me. My nerves are steady as a die and I sleep like a boy. My old-time strength has returned and I have gained 15 pounds. I feel fine all the time."

"Sargon helped my wife, who is the mother of 13 children, the same way. She has actually gained 15 pounds in weight and feels better and stronger than in many years."

Mr. Reed was formerly a workship master in the Masonic order and Mrs. Reed is a beloved member of the Methodist Church. Sargon may be obtained at
