EXAMS

Exams! The one word which is perhaps the most dreadful. It causes loss of sleep for the majority of the students and to little avail for when you read the questions you realize you must have been too sleepy to really comprehend just what the teacher decided you must know. Exams were the big event at school during the past week. They're over—and happy days are here again.

GLEE CLUB ELECTS

Glee club girls met Wednesday and elected officers: Pauline Brush, president; Harriet Sarazin secretary; and Claudena Crawford, librarian.

SPORTS FOR GIRLS

A committee of four girls has been appointed to superintend the various sports which the girls elect to take up, basket ball taking their eye and "stiffening their joints" at the present time. Evalyn Earp, Claudena Crawford, Harriet Sarazin and Vera McConnell are on the committee.

**You Can Pay When Due
—If You Keep a BUDGET**

There is no secret about how to pay bills promptly and keep your credit and self-respect. Make someone in your house the one to pay bills—man or wife. Figure possible expenses the first of each month for the next 30 days against what the family income will be. The person who pays the bills should see that the expenses are kept within that limit. Then when the bills come in they can be paid cheerfully and promptly. That's the only way to peace of mind, safety and success.
