

PENNY COMPANY FINDS NEWSPAPER ADVERTISING BEST

A strong argument for newspaper advertising and its results recently was sent by the advertising department of J. C. Penny company, operators of a national chain of retail stores, to its store managers. The messages follow:

(1) Do you want to be certain of readers interest? Then use the newspaper. Many a circular receives only a glance, while the local newspaper, with hundreds of general news items is read thoroughly from first to last page.

(2) Do you want representation in

the same shopping window' as the other merchants of your town use? Then use the local newspaper. Women, the purchasing agents of the home, read newspaper advertising carefully, whereas many a circular is tossed into the waste basket without a glance.

(3) Do you want fast action? Then use the newspaper. The ad that you run today, if it contains real merchandise news, will bring immediate results tomorrow.

(4) Do you want to be recognized as a factor of importance in your community—a real home-town store? If you do, use the newspaper—it undoubtedly is a strong factor in the building of good will.

GRADUATION

The time of year is swiftly on its way when the senior class of 1933 will be in full swing for graduation. Just mention the word to any one of them and instantly take note of the sudden superior air and extra twinkle in their eyes. They think of the honor and excitement that comes with graduation and well should they be proud of the step in life they have attained. Having battled through four years of high school life they can rightfully look forward to graduation with pride. The class is preparing for the big events with cooperative zeal and ambition.

Looking deeper, we find some regrets. Some of them are leaving study years behind as they cannot attend college. They think with longing of the jolly times they have had in school and wish that they were again only Freshmen starting in dear old Nyssa high.—C. R. I.

SCHOOL NEWS BRIEFS

Tiena Tensen is the new president of the Sophomore class succeeding Fred Spencer, who has moved to Boise.

Betty Cook, a member of the biology class, substituted for the teacher, Mrs. Ada Haworth Tuesday as the bus was late.

Miss Harriet Ahearn will direct the dances for the operetta. Miss Fishburn, the director, says the cast is doing very nicely.

The librarians for this semester have entered their duties with zest. The following are in charge, Evalyn Earp, Doris Smith, Earl Sager, Sidney Boren, Clifford Lathen, Ruth Wolfe, Charlena Crawford and Mary Munsterman.

A number of high school students went back to kid days Tuesday—they were seen playing "Fox and Goose" during noon hour.

The following grades have been attained in Miss Clarice Johnston's typing classes. In typing I, Gene Holiday and claim highest place with 31 words and only 3 errors. Max Schweizer comes next with 31 and 4 errors. In typing II, Carlotta Irwin gets first with 57 and two errors; Charlena Crawford and Dwight Johnson second with 50 words and 4 errors. The above rates were from 10 minute tests.

Tire trouble has been afflicting the school buses this week. The Jordan bus was late Monday due to a flat. Tuesday the Hatch bus had similar trouble.

Friday morning Mr. Hollenberg helped the seniors inspect graduation announcements. A final vote will be taken in the near future. Mr. Hollenberg informed the class that he has ordered the diplomas which he said, "should be an incentive to those students of the class who are in a dangerous position as to grades."

Students viewed with concern the following notice in the English room: Oral book reports due February 24.

PLAN SALEM TRIP

Mr. and Mrs. Al Thompson and son Hershel plan to leave this week for Salem where they will visit their daughter Mrs. Ralph Beutler. They are also considering a location in Salem but may return as Mr. Thompson is not anxious to leave the community he has called home for more than thirty years. He has been active in civic affairs, having recently completed two terms as councilman.

The Thompsons have moved their household furniture to the home of Mr. and Mrs. J. T. Long, parents of Mrs. Thompson, in Arcadia, and have been guests there since Tuesday. They were dinner guests Tuesday of Miss Evalyn Earp and Mrs. W. F. McLing.

DERRICK HURT IN ICE HARVEST AT MALHEUR RANCH

Malheur — While helping Carroll Loecey put up iced, Wallace Derrick was injured. The sled on which the ice was being hauled tipped over and several large cakes struck Derrick.

Ralph Boor brought Mr. and Mrs. Herb Derrick from Ironside to the home of Mrs. Derricks parents, Mr. and Mrs. W. E. Wirth last Thursday. Boor returned Saturday.

Bill Flint, who has been mining with Harvey Stephens, went to Portland recently.

Several families attended the dance at the Mountain View school house Saturday night.

Paul Kenyard and Bob Anderson started to work for Carroll Loecey Wednesday.

Howard White was in Baker last week. Austin McWilliams is helping Floyd Howard during lambing.

Loecey Brothers moved their sheep to the ranch at Ironside to start lambing.

LONG DOES GOOD WORK

Excellent results are being obtained by Robt. Long, government hunter, said Fred Sankey, assistant state leader in predatory animal control, in his January report. Mr. Sankey spent a part of last month here and in Harney county, assisting hunters in cleaning up poison stations and contacting forest officials and many stockmen.
