DANA GETS O. K. FROM PRESIDENT ON PROJECT LOAN

SENATE COMMITTEE REPORTS FAVORABLY ON \$5,000,000 FOR RECLAMATION, SECRETARY TICKES IS HELPING.

Washington D. C., April 11.—(To Frank T. Morgan, secretary Owyhee District)—President Roosevelt said today he will take loan question up personally with R. F. C. His secretary McIntyre will follow up. Senate committee has reported out the loan bill unanimously and Speaker Rainey said bill would be allowed out in house on assurance of President's approval. Secretary Tikes is now supporting us. (Signed) Marshall N. Dana.

Bringing new hope for the Owyhee and Vale appropriations for construction work in 1933, the above telegram was welcomed by Malheur county people when it arrived with yesterday's report from Mr. Dana, delegate of the Owyhee and Vale projects. If the \$5,000,000 loan bill for reclamation goes through as Mr. Dana is so urgently striving for, it will assure the 1933 schedule on the Owyhee and completion of the Vale.

Last Thursday came final word from Washington that Oregon congressmen, with Mr. Dana, had prevented the transfer of the unobligated balance in the reclamation fund, estimated at \$2,500,000 for the next fiscal year, to the fund for forestation work.

R. J. Davis, former member of the Owyhee board, has been aiding in the battle for the Owyhee appropriation. Congressman Sam D. Reynolds of Tennessee was once a student in a class in a southern school taught by Mr. Davis. To him Mr. Davis carried his plea. At the close of a friendly letter, Mr. Reynolds wrote, "I note very carefully what you state in reference to securing a loan from the R. F. C. to complete the Owyhee project. I will be glad to talk to Mr. Dana and if I can be of service to him I will be glad to help."

In another personal letter to Mr. Davis, Dr. Elwood Mead, wrote as follows: "I will show Mr. Reynolds the last report on the Owyhee. Photographs in it are very fine. I am hopeful we will get the money we need. Marshall Dana is working hard. All of you owe him a debt of gratitude for his wholehearted service. He is widely known and is of great help. A good letter came from Mr. Morgan in the same mail as yours. It is early to make predictions but I am very hopeful."

Eyes of the Faithful Pin Gaze On 'Jim' Farley, Job Dispenser

The ROOSEVELT CABINET After 12 lean years in the political Sahara, the democrats have taken over the Washington oasis and the man next to the President to whom they are looking most expectantly is James A. Farley, postmaster-general. He has already served notice that the entire party strength and patronage will be used to put through the Roosevelt program and do all in his power to sell the democratic party to the country.

The new post office chief is from Stony Point village of New York. At 11 he was helping a widowed mother support a family of five children. He carried a torch in a Bryan parade. He was crack first baseman on the ball team. At 30 he had become a figure in state politics, climbing from his first job of town clerk.

STATE CREW BEGINS SURVEY OF I-O-N. FROM JORDAN

Fred Palmer brought word from Jordan Valley Wednesday that Ralph Weaver and his crew of surveyors for the state highway department had established their camp in Jordan Valley and were beginning the location of the I-O-N highway from Jordan Valley to Rome. The survey was ordered by the commission at the request of the Malheur county court and it will follow a survey which has already been made between Rome and Crane.

The outcome of the survey is awaited with much interest here as the Jordan Valley route is favored. Its supporters say that it is also the shorter route for the needed connection between the Snake river valley and Nevada's completed highway terminating at McDermitt.

FRANK MORGAN IS SECRETARY OF ASSOCIATED CHAMBERS OF COMMERCE.

The associated chambers of commerce of the Snake river valley held their April meeting in Nyssa Monday night, L. L. Of particular interest was the announcement of M. D. Riner, president of the Caldwell club, that T. A. Walters of Caldwell has been endorsed by many leaders for first assistant to the secretary of the interior. Mr. Riner believes Mr. Walters is assured the appointment which is widely welcomed in Oregon and Idaho.

McLaughlin accompanied the team.

VALE LOWERS BEER LICENSE

Vale had no buyers for beer licenses at the high fee first required by the council. As a result the fee has been lowered to \$60 a year for the retailer who sells beer by the bottle and \$100 for the retailer who sells beer for the consumption on the premises. R. D. Lytle, Vale attorney who was here Wednesday, advised that the ordinance is slated for final adoption April 18.

ALASKA CLAIMS MARIAN BOSWELL

Funeral services were held in Baker Tuesday for Miss Marian Boswell, 23, of Vale, who died in Portland Saturday following a month's critical illness. Interment was in Mount Hope cemetery in Baker where her father, a pioneer of Malheur county, is buried. Mr. Boswell died while on a visit in Alaska several years ago.

Marian had been attending college in Fairbanks, Alaska, until she became ill. She was taken by airplane to Cordova to board the boat for Portland. Several years ago Marian attended the University of Oregon and was a member of Alpha Gamma Delta sorority.

Marian was born January 7, 1910, in Vale where she spent the greater part of her life. She was a charming, lovely girl and her untimely death is mourned by many. Her only brother John C. Boswell went to the Alaskan college shortly after he graduated from Vale high school and Marian joined him there.

Surviving are her mother Mrs. C. Cecil Boswell of Vale, her brother and two sisters Mrs. Hugh Skinner of Jordan Valley and Miss Katherine Boswell of Bend.

Attending the funeral from this section were Mrs. John Holly, sister of Mrs. Boswell, her husband, Jesse Johnston and Mr. and Mrs. Wm. Schultz of Adrian.

Potato Prices Climb; Grower Holds 16 Cars

Potato prices soared sharply here Friday when it became known that Holady Brothers had been offered 60 cents a hundred for the 16 carloads they have in storage. This price is in contrast to the 15, 25 and 35 cent prices that have prevailed all winter. The growers said they would sell a few cars but might delay the sale of their entire holdings a short while longer as they believe the price will advance to around \$1.

Holady Brothers were the largest potato growers in the county last year, having around 200 acres in spuds. They stored all they could on account of low prices but a good portion remained in the ground. They farmed on the Eastern Oregon Land company ranch last year.

COOKS ENJOY HOME PRODUCTS SCHOOL

Mrs. Cora M. Woods, of Boise, field manager of the Idaho Chamber of Commerce, held a two-day home products school in Nyssa Tuesday and Wednesday at the Eagles hall. She gave informative talks on the health giving properties of the many foods produced in the Snake river valley, told how to prepare them and at the close served a delicious repast each day.

"If the apple were as well advertised as the pineapple our apples would not go hunting for a market," said Mrs. Woods. "If our people knew the food value of the tomato they would serve them instead of oranges." She told interesting facts about the local canning factories, coffee packers, millers and manufacturers of beet sugar.

The civic club cooperated with Mrs. Woods, Mrs. Dick Tensen, Mrs. A. H. Boydell and Mrs. Ray Emmett serving for her. Mrs. C. C. Hunt and Mrs. W. W. Foster were hostesses, Mrs. Ernest C. Wilson, registrar; and Mrs. Ed. Willson, Mrs. H. Snyder and Mrs. F. Sills, judges in the slogan contest. Winners were Mrs. Ernest Wilson, Mrs. Frank Morgan, Mrs. Hazel Gildea and Mrs. Hunt.

MALHEUR HAS SNOW FOR SPRING SPICE

Winter, unmindful of the budding winter and daffodil, of gambling spring lambs and blossoming trees, stormed through this section last week end and snow. There was a lot of snow on the tulips and the weather man said that never before had April weather climbed upward this week and pleasant weather is the Easter forecast.

LEGAL BEER IS BACK; IDAHOANS SAMPLE IT HERE

LEGALIZED BEVERAGE RETURNS AFTER 17 YEARS; FIVE DEALERS GET LICENSE HERE.

Legal beer returned to Nyssa and other Oregon towns Friday but no one called for "whoopie" greeted the arrival of the first loads here. The 3.2 per cent beverage is proving merely a mild but pleasant drink for those who like beer. A good many people came from Idaho for a tippler or two, most of them pronouncing it "good" and much like the old "suds."

For the reason that breweries are still limiting deliveries on account of the demand, receipts which are rolling into Nyssa are still limited. This week the question has been, "Will there be sufficient beer for those who wish it this week end?" Dealers are confident there will be sufficient on hand for the trade.

Nick Rudlick brought the first beer into Malheur county, arriving here at 9 a. m. Friday morning from the Pendleton brewery with a truckload—for breakfast. Numerous business houses displayed the new beer which was quite a novelty the first day in particular. Wholesalers trucked loads to the various dealers in town around noon Friday.

There are five licensed dealers in Nyssa.

THIEVES ROB CARS NEAR EAGLES' HALL

Mrs. Duncan's purse, which had been looted of some change was thrown into the street. It was found and returned to her by Harold Hoxie.

Tires and wheels were stolen from the Idaho Power and Wilson Bros. trucks Monday night.

IMPORTANT DATES LOOM ON THE 1933 GRANGE CALENDAR

Important dates loom on the 1933 grange calendar. State grange convenes in Pendleton next June and the national convention is in Boise in November. No one is looking forward to this latter event more keenly than Maurice Frakes, young lecturer of Boulevard grange and new friend of James Farmer, national grange lecturer. They became acquainted at the lecturer's school in La Grande and have since kept in close touch.

Mrs. Karl Norvall, county lecturer, also advises that the honors for the first quarter's work in 1933 goes to Frakes. He sponsored a play and dance, given by his grange, which netted \$62, organized a 5th degree team, drill team, a grange orchestra, a juvenile grange and a ball team. He is also lining up a grange quartet.

Mrs. Norvall says good reports have also been received from Harper, Arock and Big Bend.

MARSHALLS SERVE FRIENDS AT 50th WEDDING JUBILEE

Celebrating fifty years of wedded life, Mr. and Mrs. Fred Marshall held open house at their home here yesterday when around 125 guests called to wish them more happiness. Many of the guests were from Boise, Wilder and Payette. Such golden gifts as coins, a lovely basket of oranges, cakes, fancy work, linens and dishes were brought by friends.

Each guest was served a wedding lunch and drank from an old-fashioned China cup, one of a set presented the couple when they were bride and groom in Denison, Iowa, in 1883. That was several years prior to the gay nineties but the bride wore a gay dress of satin maroon, with tight-fitting bodice and puffed sleeves, which delighted the guests who saw it yesterday.

The Marshalls have lived in Nyssa over 20 years and during most of these years, Mrs. Marshall has been city librarian.

EVERYONE LIKES "SONIA" MUSICAL

NYSSA HIGH SCHOOL SCORES BIG HIT WITH ANNUAL OPERETTA AT LIBERTY.

"Sonia, or the Girl from Russia," presented last Thursday night by the Nyssa high school at the Liberty theatre, proved to be one of the prettiest operettas ever presented here and that is saying a good deal. Singers were excellent, costumes delightful and clever dances a novelty.

Miss Ella Martin was splendid in the part of Sonia and she received the best of support from Claudena Crawford, an Irish co-ed; Margaret Pinkerton, Aunt Martha Mayflower; Paul Hatch, the football captain; and Dwight Johnston, a college cheer leader. Next in order in the leads were Keith Parkinson, Prof. Smythe; Bertha Williams, the crook's accomplice; Ray Ashcraft, the villain; Meredith Selts, an officer; Pauline Brush, a campus belle; Kenneth Williams, of the marines; and Charlena Crawford a specialty dancer.

The operetta opened on a college campus. When Sonia left for Russia to rescue her father, all her friends and aunt accompanied her to bleak Siberia. Bolshevik choruses were colorful and well trained. CITY SEEKS LOAN FOR SEWER SYSTEM

In view of the fact that Oregon will probably be called upon to help repay the R. F. C. debt incurred by the government, business men are suggesting that Nyssa take advantage of the opportunity for securing a low-interest and long-time loan for constructing a sewer system in the business district. The council met with Frank H. McConnell, engineer of Caldwell, and requested that a cost estimate be made.

FISHING SEASON OPENS APRIL 15

Although the trout fishing season will open April 15, most sportsmen are delaying their first trip a few days as they say the season for good fishing will come a bit late this spring. The fee for adult anglers is \$3, for boys \$1.50. The bag limit must not exceed 30 fish in one day. This year fishermen may retain the trout less than six inches in length.

APRIL FROLIC IS COMING FOR TWO BIG NIGHTS HERE

On Friday and Saturday nights games and dancing will provide all kinds of amusement at the Nyssa gymnasium.

NYSSA WELCOMES CROWD TO OWYHEE CANYON DAYS FROLIC FRIDAY AND SATURDAY NIGHTS

EVERYONE LIKES "SONIA" MUSICAL

From the Boise Flying school came word yesterday that Bob King, pilot, and Web Appel, his assistant, would bring an airplane to Nyssa Friday and Saturday afternoon for passenger flights. They also stated that a daredevil youth would make a thrilling parachute jump at 6 p. m. each evening.

Last night fifteen cars formed a caravan and left Nyssa at six o'clock. They advertised the show in Vale, Ontario, Payette and Welsler, Art Norcott announcing the many fun features over a loud speaker hook-up which had been secured for the occasion. Hugh Glasgow, Archie Howell and Emory Huffman played banjo and accordion trios, while the cowboys joined in songs.

Monday and Tuesday nights show boosters gathered at the gymnasium where deer heads, blankets and other symbols of the west have transformed the staid hall into a colorful place. Lots of money has been printed for the branch bank. "We have committed for the games and dancing," said Dr. E. D. Norcott, general chairman, today. "We're ready for the show."

Proceeds from the celebration will be used for the Vale-Owyhee land settlement association and other activities of the Nyssa chamber of commerce.

SACKER SEWS EAR AND MISSES SACK

A potato sacker was too busy to please Wm. E. Holady yesterday. When he stooped to crank the engine, the sacker's needle caught his ear and almost "sewed" it off. Mr. Holady had a few more stitches at the doctor's office. He was sorting and sacking potatoes at Cairo for Joe Oalmack, Caldwell buyer, when the accident occurred.
