OUR FLAG

As passers-by look toward the school house, and slightly skyward, they will notice the symbol of America flying from its staff in the spring winds.

The American flag is a sight we all love with its bright stripes and its stars set in blue. We have a feeling of awe as we view this glorious symbol of freedom and independence. We recall the brave men who fought and died for it. We recall that gentle lady Betsey Ross, who made the first flag. We bow our heads for a moment in silent prayer and thank God for our flag and our country.—C. R. I.

SCHOOL BRIEFS

The Juniors are planning the annual banquet for the Seniors to be given April 29.

Time off was taken by the Senior boys Friday to dig a hole and plant their tree, a Siberian elm purchased from Carnafix Nursery at Fruitland. It was planted beside the flagpole in front of the schoolhouse.

An assembly was held Thursday to announce the first home baseball game of the season with Fruitland. Mr. Holenberg told of the change from athletic tickets to regular baseball tickets which can be purchased by anyone at the school house for fifty cents.

Six weeks exams were given last week and now students have embarked on the last stretch of the school year. Some will come back next year. The Seniors will go on to other fields of endeavor.

Seniors making the highest scores in the achievement tests were: English, Evalyn Earp, first, Carlotta Irwin, second; mathematics, Dorothy Boden, first, Clayton Wall, second; natural science, Lee Weldeman, first; Dorothy Boden, second; social science, Dwight Johnston, first, Carlotta Irwin, second, Carlotta Irwin and Dwight Johnston tied for highest total score.
