DEAR IMPROVES OLD AUTO PLANT

Peter Dear says even an old auto wrecking yard can be beautiful. He is responding to the spring slogan of "Clean-up, Fix-up," by improving his property at the end of main street. He has erected a unique fence made of auto chains, the rings from headlights and auto axles, which form the posts. The fence has been painted green and red and is very attractive.

Dear is seeding a patch of lawn along the sidewalk and may have a few flowers. He is also erecting a small shop.
